AUDITORS’ REPORT

We have examined the balance sheet of the Eastern and Central Savings Bank as at 31 March 1973 and the related revenue account for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet with notes attached and revenue account present fairly the financial position of the Eastern and Central Savings Bank at 31 March 1973 and the results of its operations for the year then ended in conformity with generally accepted accounting principles. The operations for the year included those of the Hawke’s Bay and Gisborne Savings Bank and the Manawatu Wairarapa Savings Bank from 1 April 1972 to 31 October 1972—the two banks having merged at 1 November 1972 to form the Eastern and Central Savings Bank.
