Decision of the Indecent Publications Tribunal

IN the matter of the Indecent Publications Act 1963, and in the matter of an application by Waverley Publishing Co. Ltd. for a decision in respect of the book *Erotic Art* by Drs Phyllis and Eberhard Kronhausen, published in West Germany.

Mr Campbell appeared on behalf of the applicant and made submissions.

DECISION OF THE TRIBUNAL

This is a slight but quite elegantly produced collection of erotic art both medieval and modern. The text is in German and we were provided by the New Zealand agents for the publishers with an English translation. The text is propagandist but unobjectionable.

We do not think that this is a publication which is likely to corrupt or deprave mature readers. At the same time, some of the works illustrated depict practices which younger people might be misled into accepting as normal acceptable social behaviour. Also, taken out of context and displayed, some of the illustrations would be obscene.

The book looked at as a whole is comparable with works considered by the Tribunal in decisions 77 and 584. An age restriction is appropriate.

The Tribunal classifies this book as indecent in the hands of persons under the age of 18 years.

R. V. S. SIMPSON, Chairman.
