

ary of Featherston Borough as more particularly shown on Sheets 1 and 2 of plan M.O.W. 36416 and accompanying schedule held in the office of the Resident Engineer, Ministry of Works and Development, Masterton, and there available for public inspection, to be a limited access road.

Dated at Wellington this 29th day of October 1974.

D. J. CHAPMAN, Secretary.

(72/2/10/5)

National Roads Board—Declaring State Highway to be a Limited Access Road

It is notified that the National Roads Board, by resolution dated 16 October 1974 and pursuant to section (4) of the Public Works Amendment Act 1963, hereby declares that part of No. 2 State Highway (Pokeno-Wellington) from the southern boundary of Carterton Borough to the boundary of Greytown Borough as more particularly shown on sheet 1 of plan M.O.W. 36417 and accompanying schedule held in the office of the Resident Engineer, Ministry of Works and Development, Masterton, and there available for public inspection, to be a limited access road.

Dated at Wellington this 29th day of October 1974.

D. J. CHAPMAN, Secretary.

(72/2/10/5)

Division of Upper Clutha Pest Destruction District Into Wards (Notice No. 958 Ag. 20891A)

PURSUANT to section 21 of the Agricultural Pests Destruction Act 1967, the Upper Clutha Pest Destruction Board hereby gives notice that the Upper Clutha Pest Destruction District which was constituted by Order in Council on the 18th day of March 1974* is hereby divided into wards, the names and boundaries of which are specified in the Schedule hereto.

SCHEDULE

KAWARAU WARD

ALL that area in the Otago Land District, the counties of Lake and Vincent, containing 80 000 hectares, more or less, bounded by a line commencing at Trig. FF at the south-western corner of Block XII, Crown Survey District, and proceeding generally north-easterly along the north-western boundary of Run 726 to the generally southern boundary of Run 629; thence generally easterly and north-easterly along the generally southern and south-eastern boundaries of that run and the north-western boundary of Run 731 to northernmost part of the last-mentioned run; thence generally south-easterly along the north-eastern boundary of that Run 731 to the north-western side of State Highway No. 6; thence south-westerly along the north-eastern side of that highway to a point in line with the north-eastern side of Amisfield Road; thence south-easterly to and along the north-eastern side of that road and its production to the middle of the Clutha River; thence generally southerly along the middle of that River to a point due east of the northernmost corner of Part Section 4, Block XVI, Leaning Rock Survey District; thence due west to the said corner and along the northern boundaries of Part Section 4 and Section 1630R to the westernmost corner of Part Section 4 aforesaid; thence south-westerly and south-easterly along the north-western and south-western boundary of Part Run 249 to the middle of the Hawks Burn; thence generally southerly along the middle of the Hawks Burn to its confluence with Earnsclough River; thence south-westerly along the middle of that river to a point in line with the production of the southern boundary of Run 339G; thence westerly to and along that boundary and the southern boundary of Runs 339F and 339E and the production of the last-mentioned boundary to the middle of Nevis River; thence generally northerly along the middle of that river to its confluence with Kawarau River; thence generally north-westerly along the middle of that river to a point in line with the production of the western boundary of Run 726; thence northerly to and along that boundary to the point of commencement.

CRIFFEL WARD

ALL that area in the Otago Land District, the Counties of Vincent and Lake, containing 79 500 hectares, more or less, bounded by a line commencing at Mount Cardrona on the

western boundary of Run 340B, Knuckle Peak Survey District, and proceeding generally northerly and north-easterly along the western and north-western boundary of that run and the north-western boundaries of Runs 774 and 775 to the western boundary of Part Run 334; thence southerly and south-easterly along the western and south-western boundaries of that part run to the north-western boundary of Section 8, Block V, Cardrona Survey District; thence north-easterly along the north-western boundary of that Section 8 and the south-eastern boundary of Part Run 334 aforesaid to the left bank of the Cardrona River; thence generally north-easterly along the left bank of that river and its production to the middle of the Clutha River; thence generally southerly along the middle of that river to a point in line with the north-eastern side of Amisfield Road; thence north-westerly to and along that side and its production to the north-western side of State Highway No. 6; thence north-easterly along the north-western side of that highway to the north-easternmost boundary of Run 731; thence generally north-westerly and south-westerly along the north-eastern and north-western side of that run and the generally south-eastern and southern boundaries of Run 629 to the north-eastern boundary of Run 726; thence north-westerly and south-westerly along the north-western boundaries of that run to Trig. FF; thence south-westerly and north-westerly along the south-eastern and south-western boundaries of Crown Survey District to a point due east of Trig. HH (Crown Peak); thence due west to that Trig.; thence generally northerly along the watershed of the Cardrona and Arrow Rivers to the south-western corner of Section 5, Block I, Knuckle Peak Survey District; thence northerly along the eastern boundary of Run 25 and Part Run 334B to the point of commencement.

LAKES WARD

ALL that area in the Otago Land District, Lake and Vincent Counties, containing 240 100 hectares, more or less, bounded by a line commencing at the south-western corner of Mount Pollux Survey District and proceeding north-easterly and south-easterly along the north-western and north-eastern boundaries of Part Run 97 and its production to the middle of Siberia Stream; thence south-easterly along the middle of that stream to a point in line with the production of the north-western boundary of the westernmost Part Run 98; thence generally north-easterly to and along that boundary and its production to the middle of Young River; thence north-easterly along a right line to the summit of the watershed between Young River and Levin Stream; thence north-easterly along a right line to Trig. H (Mount Birnam) in Block XI, Haast Survey District; thence north-easterly to and along the north-eastern boundary of the northernmost Part Run 98 and its production to the middle of Fish River; thence easterly along a right line to the centre of State Highway No. 6 and the summit of the Haast Pass; thence generally north-easterly along the summit of the Southern Alps to the south-easternmost corner of Block VIII, Haast Pass Survey District, Westland Land District; thence north-easterly along a right line to a point 100 metres north-east of "The Forks" at the right bank of the source of the Hunter River in Hunter Survey District; thence south-westerly along that right bank and the western side of Lake Hawea to the middle of Hawea River; thence generally southerly along the middle of that river to its confluence with Clutha River; thence south-easterly along the middle of that river to a point in line with the left bank of Cardrona River; thence generally south-westerly to and along the left bank of that river to the easternmost corner of Part Run 334; thence south-westerly along the south-eastern boundary of that Part Run and the north-western boundary of Section 8 to the north-eastern boundary of Run 775; thence north-westerly and south-westerly along the north-eastern and south-western boundaries of that run and the north-western boundaries of Runs 774 and 340B to the southern boundary of Part Run 334B; thence generally westerly and northerly along the southern and western boundaries of that Part Run to the western boundary of Part Run 333A; thence north-westerly along the north-eastern boundary of Polnoon Survey District to the western boundary of Part Run 458; thence northerly and westerly along the eastern and northern boundaries of Run 749 to Mount Tyndall; thence north-easterly along a right line to the boundary angle on the eastern boundary of Part Run 468, north of Glacier Burn; thence north-easterly along the south-eastern boundary of that Run to the southern boundary of Pollux Survey District; thence westerly along that boundary to the point of commencement.

Dated at Wanaka this 7th day of October 1974.

E. R. COOK,
Chairman, Upper Clutha Pest Destruction Board.
