6. Only those persons who were members of the Society on the 31st day of August immediately preceding the date appointed for the holding of the annual general meeting shall be entitled to vote at any ballot for the election of officers of the Society, and for the purposes of every such ballot the register of members shall be closed as at the said 31st day of August.

9. The election of councillors shall be by postal ballot conducted in the following manner:

- (a) The Secretary shall on or before the 30th day of September advertise not less than twice in a daily newspaper circulating in the District all vacancies to be filled at the annual general meeting and calling for nominations to fill all such vacancies.
- (b) Nomination for office shall be in writing signed by the proposer and seconder and containing the nominee's written acceptance and all shall be members of the Society on the 31st day of August prior to the election. Nominations must be in the hands of the Secretary not later than 5 p.m. on a day to be fixed by him being a day between the 1st day of October and 31st day of October.
- (c) Not less than 14 clear days before the date of the annual general meeting the Secretary shall forward to each member at his last known mailing address a ballot paper containing the name, occupation, and address of every nominee for office. The names of retiring councillors offering themselves for re-election shall be indicated by an asterisk. The ballot papers shall contain clear instructions on how to vote and state that the voting papers are returnable to the Secretary, in an envelope marked Ballot Paper, and must be received by him on or before a date to be fixed by him and notified on the ballot paper, such a day to be within the month of November and prior to the annual general meeting. The instructions on how to vote shall contain the following instructions:

"Each member shall leave *uncancelled* the name of any candidate for whom he desires to vote and shall *strike* out the name of any candidate for whom he does not desire to vote. Each member shall vote for the full number of candidates required to fill all positions and any voting paper failing to comply shall be classified invalid. The voting paper shall be signed by the voter."

The non-receipt of any ballot paper by a member or the accidental omission of any ballot paper to any member shall not invalidate the election.

- (d) Any ballot paper or envelope so marked received by the Secretary after the specified date shall be enfaced with the particulars of the date and time of the receipt by the Secretary and shall be disregarded in counting the ballot and may be destroyed at the expiration of one month after the date of the annual general meeting.
- (e) On receipt of the completed ballot papers and ballot envelopes, other than those received after the specified date, the Secretary shall hand them unopened to two scrutineers appointed by the Council and receive a receipt from them for the total number of ballot papers or ballot envelopes. The scrutineers shall then in the presence of each other count the ballot and deliver to the Secretary prior to the opening of the annual general meeting a certificate signed by each of them declaring the result of the ballot papers under sealed cover.
