THE WRIGHTSON NMA LIMITED (TRANSFER OF INCORPORATION) BILL

NOTICE OF PRIVATE BILL

WRIGHTSON NMA LIMITED (hereinafter referred to as "the Company") hereby gives notice that it intends to apply for leave to bring in the above-mentioned Private Bill during the current session of Parliament.

The object of the Bill is to enable the Company to become a company deemed to be incorporated in New Zealand under the Companies Act 1955.

The Company was incorporated in the United Kingdom on 3 May 1877, under the Companies Act 1862 of the United Kingdom, by the name of National Mortgage and Agency Company of New Zealand Limited, and the name of the Company was changed to that which it now bears, on 1 July 1972.

The Company is now a wholly-owned subsidiary company of Challenge Corporation Limited, a limited liability company incorporated in New Zealand under the name of Wright Stephenson and Co. Limited, having its registered office at Challenge House, 105-109 The Terrace, Wellington.

Having regard to the fact that the Company is now a wholly-owned subsidiary of a New Zealand company and having regard to the fact that the area of operation of the Company is wholly in New Zealand, it is considered expedient and advantageous to the Company and its holding company if the Company were deemed to be incorporated under the laws of New Zealand instead of the laws of England. As no procedure exists whereby the registration of a company which has been incorporated in the United Kingdom can be transferred to New Zealand such transfer can only be accomplished by simultaneous and mutually supplemental legislation in the Parliaments of the United Kingdom and New Zealand respectively.

A Bill has been introduced into the Parliament of the United Kingdom for the purpose of enabling the Company to transfer its registered office from England to New Zealand and for the cesser of application to the Company of provisions of the Companies Acts 1948 to 1967 of the United Kingdom.

The Bill now being promoted is designed to enable the Company to become a company deemed to be incorporated in New Zealand, under the Companies Act 1955, and for other purposes incidental thereto.

At any time after the Bill introduced into the Parliament of the United Kingdom has become law, under the provisions of the proposed New Zealand Act, the Company will be enabled to deliver to the Registrar of Companies at Wellington certain documents specified in the Act and apply for the issue of a certificate of incorporation and thereupon the Company will be deemed to be incorporated under the Companies Act 1955. The Company will be deemed to be the same company as the Company existing under the Companies Acts 1948 to 1967 of the United Kingdom, and the continuity, status, and operation of the Company will in no way be affected nor will any property, powers, rights, authorities, duties, functions, liabilities or obligations of the company or any legal or other proceedings instituted or to be instituted by or against the Company be affected.
