Thirdly, the purposes of the Bill are to extend the powers of investment of the Board's money in investments authorised under the Trustee Act 1956, or in securities of any company officially listed on the Stock Exchange in New Zealand which comprise shares, stock or debentures secured or unsecured notes but not including such shares, stock debentures, or notes not fully paid up unless required to be fully paid within 12 months after the date of issue nor is investment to be allowed in notes or debentures in respect of which any liability to make further advances or payments will remain after the expiration of twelve months after the date of acquisition.
