Committee of Inquiry into the Distribution of Motor Spirits and Ancillary Products, Pursuant to the Trade and Industry Act 1956

1. The Minister of Trade and Industry has requested the committee to inquire into, investigate, and report on the wholesale and retail distribution of motor spirits and ancillary products with the object of maximising the economic development of the distribution industry and the service to the consumer, and to make such recommendations thereon as it thinks fit.

2. For the purpose of taking evidence, the committee will be holding public hearings elsewhere. It is expected that public hearings will commence at Wellington about mid-August, and the venue and specific dates will be notified.

4. The purpose of the inquiry is set out in 1. above, and the committee has been directed to have regard to points (1) to (6):

   (1) The extent of competition in the wholesaling and retailing of motor spirits and ancillary products, and whether in the public interest steps should be taken to modify the present practices in the industry, and any legislation relating thereto.

   (2) The efficiency of the present wholesale and retail distribution of motor spirits and ancillary products, and any specific changes that the committee considers necessary to improve the efficiency of the industry.

   (3) The changes in patterns and terms of trade which have taken place in the wholesaling and retailing of motor spirits and ancillary products—with particular reference to consumer demand, density of retail outlets, hours of trading, credit facilities, and the development of highway service stations.
Tribunal, hereby make the following price order:

1. This order may be cited as Price Order No. 2280 and shall come into force on the 24th day of June 1974.

2. (1) Price Order No. 2268* is hereby revoked.

1. In a letter of 12 June 1974, the Minister of Customs requested the Board to undertake an inquiry and report, with the objective of providing Government with a basis for restructuring and updating the Tariff to establish, where possible, adequate rates of duty protection in respect of rennet classified in Tariff items 21.07.021, 29.40.001, and 29.40.002. The present Tariff provisions for these goods, effective from 1 July 1974, are set out in the Schedule to this notice. The Minister asked that the Board should recommend, if possible, tariff rates which would provide adequate protection whether import licensing was continued, modified, or removed and should, if such action was considered to be appropriate in relation to the goods under inquiry, comment upon and compare the relative merits of both duties and import licensing as means of protection when used jointly or separately.

2. This request replaces an earlier reference of 13 March 1972, in respect of which the Board scheduled a public hearing for 31 August 1972, which hearing was subsequently postponed (see Notices 287 and 313, New Zealand Gazette of 29 June 1972 and 26 October 1972 respectively).

3. For the purpose of taking evidence the Board will hold a public hearing in the Hearing Room, Eighth Floor, Cumberland House, Upper Willis Street, Wellington, on Tuesday, 26 November 1974 commencing at 10.30 a.m.

4. Any person who intends to tender evidence should lodge, in typewritten form, 14 copies of public evidence and 12 copies of confidential evidence, to be presented under oath at the public hearing, at the Board's office no later than Wednesday, 30 October 1974. In preparing this evidence the "Notes for Information and Guidance of Interested Parties" prepared by the Board may be of assistance. Copies of these notes may be obtained from the Board's office.

Dated at Wellington this 18th day of June 1974.

F. E. BEAUFORT, Secretary, Tariff and Development Board.

**H. G. HAY, President.**

**FRANK DICKSON, General Manager.**

We, the undersigned being the auditors of the Canterbury Savings Bank, appointed in terms of section 29 (3) of the Trustee Savings Banks Act 1948, report that:

We have examined the accompanying balance sheet and profit and loss account and have obtained all the information and explanations we have required. We are of the opinion that proper books of account have been kept by the bank, that the balance sheet and accounts comply with the Trustee Savings Banks Act 1948, and that they give a true and fair view of the state of affairs of the bank as at 31 March 1974 and of its results for the year ended on that date.
