1. In letters of 22 June 1973 and 5 October 1973 the Minister of Customs asked the Board to undertake inquiries into the goods listed in the attached Schedules with the objective of providing Government with a basis for restructuring and updating the Tariff to establish, where possible, adequate rates of duty protection on the goods involved.

2. The attention of interested parties is drawn to the fact that the Board may find it appropriate to comment upon and compare the relative merits of protection by means of tariff rates and import licensing when used jointly or separately.
