P. G. MILLEN, Clerk of the Executive Council.

*Redefinition of the Boundaries of the Upper Clutha Pest Destruction District (No. 894 Ag. 20891A)*

DENIS BLUNDELL, Governor-General

ORDER IN COUNCIL

At the Government House at Wellington this 2nd day of September 1974

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL

PURSUANT to the Agricultural Pests Destruction Act 1967, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby makes the following order.

ORDER

1. This order may be cited as the Upper Clutha Pest Destruction District Order 1974.

2. The boundaries of the Upper Clutha Pest Destruction District, which was constituted by Order in Council on the 18th day of March 1974\*, are hereby redefined and as from the commencement of this order the boundaries of the said district shall be those specified in the Schedule hereto.

SCHEDULE

BOUNDARIES OF THE UPPER CLUTHA PEST DESTRUCTION DISTRICT

ALL that area in the Otago Land District, Lake and Vincent Counties, containing 399 600 hectares, more or less, bounded by a line commencing at the south-western corner of Mount Pollux Survey District and proceeding north-easterly and south-easterly along the north-western and north-eastern boundaries of part Run 97 and its production to the middle of Siberia Stream; thence south-easterly down the middle of that stream to a point in line with the production of the north-western boundary of the westernmost part Run 98; thence generally north-easterly to and along that boundary and its production to the middle of Young River; thence north-easterly along a right line to the summit of the watershed between Young River and Levin Stream; thence north-easterly along a right line to Trig. H (Mount Birnam), in Block XI, Haast Survey District; thence north-easterly to and along the north-eastern boundary of the northernmost part Run 98 and its production to the middle of Fish River; thence easterly along a right line to the centre of State Highway No. 6 and the summit of the Haast Pass; thence generally north-easterly along the summit of the Southern Alps to the south-easternmost corner of Block VIII, Haast Pass Survey District, Westland Land District; thence north-easterly along a right line to a point 100 metres north-east of "The Forks" at the right bank of the source of the Hunter River in Hunter Survey District; thence south-westerly along that right bank and the western side of Lake Hawea to the middle of Hawea River; thence generally southerly down the middle of that river to its confluence with Clutha River; thence generally southerly down the middle of that river to a point due east of the northernmost corner of part Section 4, Block XVI, Leaning Rock Survey District; thence due west to the said corner and along the northern boundaries of part Section 4 and Section 1630R to the westernmost corner of part Section 4, aforesaid; thence south-westerly and south-easterly along the north-western and south-western boundary of part Run 249 to the middle of the Hawks Burn; thence generally southerly along the middle of the Hawks Burn to its confluence with Earnscleugh River; thence south-westerly along the middle of that river to a point in line with the production of the southern boundary of Run 339G; thence westerly to and along that boundary and the southern boundary of Runs 339F and 339E and the production of the last-mentioned boundary to the middle of Nevis River; thence generally northerly along the middle of that river to its confluence with Kawarau River; thence generally north-westerly along the middle of that river to a point in line with the production of the western boundary of Run 726; thence northerly to and along that boundary to Trig. FF, Crown Survey District; thence south-westerly and north-westerly along the south-eastern and south-western boundaries of Crown Survey District to a point due east of Trig. HH (Crown Peak); thence due west to that trig; thence generally northerly along the watershed of the Cardrona and Arrow Rivers to the south-western corner of Section 5, Block I, Knuckle Peak Survey District; thence northerly along the eastern boundary of Run 25 to the southern boundary of part Run 334B; thence generally westerly and northerly along the southern and western boundaries of that run to the western boundary of part Run 333A; thence north-westerly along the north-eastern boundary of Polnoon Survey District to the western boundary of Part Run 458; thence northerly and westerly along the eastern and northern boundaries of Run 749 to Mount Tyndall; thence north-easterly along a right line to the boundary angle on the eastern boundary of part Run 468, north of Glacier Burn; thence north-easterly along the south-eastern boundary of that run to the southern boundary of Pollux Survey District; thence westerly along that boundary to the point of commencement.

P. G. MILLEN, Clerk of the Executive Council.
