DENIS BLUNDELL, Governor-General

ORDER IN COUNCIL

At the Government Buildings at Wellington this 3rd day of March 1975

Present:

THE HON. R. J. TIZARD PRESIDING IN COUNCIL

Pursuant to the Local Government Act 1974 and the Local Government Commission Act 1967 (to the extent that it continues in force in relation to this Order), His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby makes the following Order.

ORDER

1. This Order shall come into effect on 1 April 1975.

2. The Hauraki Plains West Drainage Board, the Hauraki United Drainage Board, and the Hauraki South Drainage Board (hereinafter referred to as the “said boards”) are hereby dissolved and the districts of the said boards are hereby abolished.

3. The districts of the former said boards are hereby constituted separate drainage districts of the Hauraki Plains County as if they had been so constituted under the provisions of Part XVI of the Counties Act 1956. The County Drainage Districts shall have the names Hauraki West Drainage District, Hauraki United Drainage District, and Hauraki South Drainage District notwithstanding that part of one such district extends beyond the district of Hauraki Plains County.

4. Until the first triennial election of members of local authorities held after the date of dissolution of the said boards the present members of the said boards shall be members of separate special committees (hereinafter referred to as “drainage committees”) of the said council, as if they had been appointed by the said council under the provisions of Part V of the Counties Act 1956. Thereafter for the purpose of carrying out such drainage committees the said council shall apply with the necessary modifications sections 2 and 3 of the Land Drainage Amendment Act 1920 as if they had been made pursuant to the said sections.

5. Provided that no person shall be eligible to be elected as a member of any such drainage committee or to vote at any election held pursuant to section 168 of the Local Government Act 1974 unless he possesses a ratepayer’s qualification within the meaning of the Counties Act 1956 in respect of property situated within the particular drainage district.

6. Section 151 (4) of the Local Government Act 1974 shall apply in respect of the drainage committees as if every reference in that section to a district community council were a reference to a drainage committee.

7. It shall be competent for the said council and for the drainage committees for the Hauraki Plains County to exercise their powers and functions (including, in the case of the said council, the power to make and levy rates for drainage purposes) in respect of the whole of that district, notwithstanding that part of the district lies outside the boundaries of Hauraki County.

8. For the purposes of determining representation within such subdivisions of drainage districts as the said council may from time to time make under the provisions of section 229 of the Counties Act 1956, the said council may apply with any necessary modifications the provisions of sections 2 and 3 of the Land Drainage Amendment Act 1920 as if references therein to a “Board” and to “Trustees” were references to a “county council” and to “drainage committee members” respectively.

9. The classifications of land for rating purposes made by the said boards pursuant to section 33 of the Land Drainage Act 1908 and existing at the date of implementation of this scheme shall be the classifications of lands for the purposes of sections 232 and 232a of the Counties Act 1956 as if they had been made pursuant to the said sections.

10. The said council may apply with the necessary modifications the provisions of sections 13 of the Land Drainage Amendment Act 1922 as if references therein to a “Board” were references to a “County Council”.

11. All assets and liabilities including any special accounts of each of the said board are hereby transferred to the Hauraki Plains County Council and shall be preserved in separate accounts to be established by the said council and administered by the appropriate drainage committee of that council.
