*Notice to Make Returns of Land Under the Land and  
Income Tax Act 1954*

PURSUANT to the Land and Income Tax Act 1954, the Commissioner of Inland Revenue hereby gives notice as follows:

(1) A return of land held as at noon on 31 March 1975 is required from every person and company, whether a taxpayer or not, being the owner of land in New Zealand within the meaning of the Land and Income Tax Act 1954, if the total unimproved value as at noon 31 March 1970 exceeded \$60,000 and the land is not of the classes specified in paragraph (3) below.

(2) Land tax is dealt with by the Masterton office of the department and returns may be sent there or to any district office of the Inland Revenue Department, not later than 7 May 1975.

(3) Returns of land are not required for classes of land used solely or principally for the purpose of a business of—

- (a) Animal husbandry (including poultry-keeping, bee-keeping and the breeding of horses); or
- (b) Growing fruit, vegetables, or other crop producing plants; or
- (c) Horticulture; or
- (d) Viticulture.

Provided that the exemption in this paragraph shall not extend to land used for the purposes of a racecourse within the meaning of the Racing Act 1971 or to land used solely or principally for the purposes of forestry or silviculture.

(4) The Valuation of Land Amendment Act (No. 2) 1970 amended the basis for valuation of land. The Valuation Department is progressively revaluing land on a "land value" basis instead of an "unimproved value". Under section 48 of the Land and Income Tax Act 1954, the unimproved values prevailing as at 31 March 1970 are to be taken to be the unimproved values in assessing land tax for the year ended 31 March 1975.

(5) Return forms are available at all District Offices of the Inland Revenue Department.

(6) Any person or company failing to furnish a return within the prescribed time is liable to a fine not exceeding \$200 or not less than \$4.

Dated at Wellington this 11th day of March 1975.

D. A. STEVENS, Commissioner of Inland Revenue.
