

CONFERENCE ON STATE AID TO PRIVATE SCHOOLS

A REPORT OF STEERING COMMITTEE—22-24 MAY 1974

The working party was required to investigate the possibility of integration of the private school system.

This conference concludes a working party's report. After discussions attempts were made to find a solution to state aid to private schools.

A conclusive decision on the question of state aid by this conference was to not recommend additional financial assistance.

Although the working party was unable to implement its terms of reference, it feels that some definite progress has been made.
