

of Reserve Bank notes and of New Zealand Government securities together equal to an amount which shall not be less than the aggregate of:

- 29 percent of that bank's average demand deposit liabilities in New Zealand in the immediately preceding calendar month as shown by an average of the weekly returns of Banking Statistics under the Statistics Act 1955, plus 11 percent of that bank's average time deposit liabilities in New Zealand in the immediately preceding calendar month as shown by an average of the weekly returns of Banking Statistics under the Statistics Act 1955.

For the purposes of this notice:

(1) The monthly average of a trading bank's holdings of Reserve Bank notes shall be the average of the figures as shown by the weekly returns of Banking Statistics under the Statistics Act 1955 for that bank received in the calendar month to which the requirement applies.

(2) The monthly average of a trading bank's balances at the Reserve Bank and holdings of New Zealand Government securities shall be the average of all daily figures for that bank in the calendar month to which the requirement applies.

(3) Government securities shall consist of Government stock and Treasury bills (all at nominal value) including advance subscriptions for stock lodged by a trading bank with the Reserve Bank.

(4) Balances at the Reserve Bank shall include both demand deposit balances and time deposit balances.

Wellington, 24 July 1975.

A. R. LOW, Governor.

*Ashburton Pest Destruction Board—Number of Members to be Elected to Each Ward (No. 1190 Ag. 6/13/26A)*
