No. 864

Decision of the Indecent Publications Tribunal

In the matter of the Indecent Publications Act 1963, and in the matter of an application by Seven Seas Publishing Pty Ltd. for a decision in respect of the publication Liberating Masturbation (a meditation on self love), by Betty Dodson, published by Bodesy Books, of New York.

Before the Indecent Publications Tribunal

Messrs L. M. Greig (Chairman), D. M. Wylie, I. R. Cross, Mrs L. Edmond, and Miss W. M. Rolleston.

Appearances: Mr P. J. Downey for Seven Seas Publishing Pty. Ltd.

Decision of the Tribunal

This book is a study of female masturbation practices. It is serious, indeed proselytising in tone, arguing that bodily self-knowledge leads women to increased sexual consciousness and greater understanding of themselves and the personal and social roles they are required to play.

It is addressed to feminists and is conceived as a significant addition to feminist literature. However one may regard its social relevance there is little doubt as to the sincerity of the author’s intention. The Tribunal rules that Liberating Masturbation is not indecent.

Dated this 13th day of September 1976.

LAURENCE M. GREIG, Chairman.

No. 866

Decision of the Indecent Publications Tribunal

In the matter of the Indecent Publications Act 1963, and in the matter of an application by ‘R’ Films, for a decision in respect of the publication ‘R’ Films, Vol. 1, publisher anonymous.

Before the Indecent Publications Tribunal

Messrs L. M. Greig (Chairman), D. M. Wylie, I. R. Cross, and Miss W. M. Rolleston.

Appearances: Mr P. E. Leloir for Comptroller of Customs. Written submissions from the importer were received and considered.

Decision of the Tribunal

This publication, described on the cover as Vol. 1, appears to be a monthly publication comprising stills from named movie films with an accompanying text. The films do not seem to have been released for public showing.

It is not a serious film review but is merely a series of photographs of poor quality with a text which has a predominantly prurient appeal and which has little relevance to the photographs.

The dominant effect is to cast doubt on the honesty of purpose of the anonymous publisher and there is no redeeming feature in the publication.

The Tribunal finds this publication to be indecent.

Dated this 13th day of September 1976.

LAURENCE M. GREIG, Chairman.
**Decision of the Indecent Publications Tribunal**

In the matter of the Indecent Publications Act 1963, and in the matter of a reference by the Magistrate’s Court, Hamilton, for a decision in respect of the publication *Erotic Art of the Masters (The 18th, 19th and 20th centuries)* by Bradley Smith, published by Lyle Stuart Inc., Secaucus, New Jersey, U.S.A.

**BEFORE THE INDECENT PUBLICATIONS TRIBUNAL**

Messrs L. M. Greig (Chairman), D. M. Wylie, I. R. Cross, and Mrs L. Edmond.

*Appearances*: Mr F. X. Quinn for Commissioner of Police.

Written submissions from the importer were received and considered.

**DECISION OF THE TRIBUNAL**

This book is an art book comprising a collection of copies of paintings and drawings, many in colour, of numerous European and Eastern artists including many of the greatest names in painting. As the title indicates each painting is erotic.

The Police in their submissions accepted this as being a collection of copies of paintings and drawings, many in colour, of numerous European and Eastern artists including many of the greatest names in painting. As the title indicates each painting is erotic.

The Tribunal gives notice that I have applied to the Indecent Publications Tribunal for a decision as to whether the book described below is indecent or not, or for a decision as to its classification.
