Privileges and Immunities of Representatives and their Staff attending the Fifth Commonwealth Medical Conference

Whereas the Fifth Commonwealth Medical Conference is to be held in Wellington from 15 November to 25 November 1977;

And whereas this meeting will be attended by representatives of the Government of New Zealand, the Governments of other States and the Governments of territories for whose international relations another Government is responsible;

And whereas it appears that doubts may arise as to the privileges and immunities which may be enjoyed by representatives and members of their official staffs attending the said meeting;

Now, Therefore, pursuant to section 11 of the Diplomatic Privileges and Immunities Act 1968, the Minister of Foreign Affairs hereby directs that every representative of the said Governments (other than the Government of New Zealand) and the members of their official staffs attending the said meeting shall be accorded the following privileges and immunities:

(a) Every representative of the said Governments (other than the Government of New Zealand) shall be accorded the privileges and immunities conferred by or by virtue of Part I of the Diplomatic Privileges and Immunities Act 1968 on a diplomatic agent;

(b) All the members of the official staff of any such representative shall be accorded the privileges and immunities conferred by or by virtue of Part I of the Diplomatic Privileges and Immunities Act 1968 on members of the diplomatic staff of a diplomatic mission.

Dated at Wellington this 6th day of October 1977.

L. R. ADAMS-SCHNEIDER, Acting Minister of Foreign Affairs.

Consent to the Generation of Electricity by the West Coast Electric Power Board by the Use of Water

PURSUANT to the Electricity Act 1968, the Minister of Electricity hereby consents to the generation of electricity by the West Coast Electric Power Board, subject to the following conditions,

CONDITIONS

1. The conditions directed by the Water Power Regulations 1934, to be implied in every licence to use water for the purpose of generation of electricity, shall be deemed to be conditions of this consent as if it were such a licence.

2. This consent is subject to compliance with the Water Power Regulations 1934, the Electrical Supply Regulations 1976, the Electrical Writting Regulations 1976, the Radio Interference Regulations 1958, and all regulations, hereafter made in amendment or in substitution for any of those regulations, as if in the case of the Water Power Regulations 1934 it were a licence under the Works Public Acts 1928, to use water for the purpose of generating electricity, as well as a consent under the Electricity Act 1968, to generate electricity by the use of water.

3. The generation of electricity by the use of water, pursuant to this consent, shall be carried out by means of the works described in the Schedule hereto.

4. This consent shall, unless it is sooner lawfully determined, continue in force for a period of 21 years from the 1st day of November 1977 and may be renewed at the end of this period with the Minister’s consent.

5. This consent confers no rights to water under the Water and Soil Conservation Act 1967 or otherwise.

6. This consent shall be deemed to have come into force on the 1st day of November 1977.

7. The station shall be operated to supply the normal electricity demand of the West Coast Electric Power Board and to conform reasonably to the pattern of the supply authority’s daily load curve.

8. For the purpose of assessing in accordance with the Water Power Regulations 1934, the rental or annual sum payable in respect of this consent, the maximum generating capacity of the scheme shall be assessed at 9800 kW.

SCHEDULE
General Description of Works

The main source of water for the Dillmans hydro electric scheme from Kawhaka Creek is supplemented by water drawn from the Big Wainihinihi River and the Wainihinihi Creek scheme from Kawhaka Creek and soil conservation Act 1967 or otherwise.

A diversion race carries the water into Kapitea Creek where it is stored in two reservoirs known as Loopline Reservoir and Kapitea reservoir, and then used for generating electricity by means of the following works:

(a) Headworks consisting of 2 dams, a spillway, and an intake structure, situated at points in Block XVI of Waimea Survey District in Westland County.
