

branded on the end as described in clause 1.3 above in addition to the repetitive surface brand.

Variations to this clause are:

2.2.1 Scantlings and framing timbers.

2.2.1.1 Which are dressed or planer gauged on all four sides shall be repetitively surface branded on at least one face except where a clear face is required on all four sides when a clear legible burn brand on the end will suffice provided a dispensation in accordance with paragraph 5 below is obtained.

2.2.1.2 Which are dressed or planer gauged on less than four surfaces shall either be surface branded in accordance with subclause 2.2.1.1 above or end branded in accordance with definition 1.3.

2.2.1.3 Which are dressed or planer gauged remote from the site before treatment shall not be surface branded prior to treatment but shall be end branded at the treatment plant in accordance with clause 1.3 above. In addition, the edge of each piece of the outer tiers of the packet is to be burn branded not less than 1 m from the butt end. (Precise details of this branding may be found in Section B of the publication *Timber Preservation in New Zealand: Specifications* or obtained from the Secretary T.P.A.)

2.2.2 Weatherboards, flooring, fascia, barge, and cover boards shall be repetitively surface branded on the back of the board.

2.2.3 Finger jointed material treated to a Commodity Specification other than C8 shall be repetitively surface branded in accordance with clause 1.4.1 above and in addition either:

2.2.3.1 Include the commodity specification reference in such brand; or

2.2.3.2 End brand in accordance with clause 1.3.

2.2.4 All other dressed lines shall be:

2.2.4.1 Repetitively surface branded; or

2.2.4.2 Branded with a single surface brand within 150 mm of the end; or

2.2.4.3 End brand as detailed in clause 1.3.

2.3 Exemptions from the need to brand:

2.3.1 Fence battens and droppers.

2.3.2 Timber 1250 mm² and less in cross-section.

2.3.3 Timber less than 19 mm nominal sawn dimension in thickness.

3. *Roundwood*—All roundwood shall be branded as detailed in clauses 1.1 (brand), 1.2 (burn brand), and 1.3 (end brand), or with a disc as described in clause 1.7 above.

4. *Veneer, Plywood, and Particle Board*—4.1 Veneer and Plywood Low-Hazard Protection:

4.1.1 Plywood made from veneers treated to Commodity Specification C10 or pressure treated in made-up form shall be branded on the back or edge of each sheet with the plywood manufacturer's name, mark, or registered number plus the identification "C10".

4.1.2. Veneers treated to Commodity Specification C10 for disposal for manufacture into plywood shall have each package or bundle marked with the registered number of the treatment plant with, as a minimum, the identification "C10".

4.1.3 Plywood made up from untreated veneers and with an insecticide added to the glue shall be branded on the back or edge of each sheet with, as a minimum, the plywood manufacturer's name, or registered number or trade mark and such brand shall include the words "TREATED-TGL".

4.2 Veneer and Plywood Moderate Hazard Protection:

4.2.1 Plywood made from veneers treated to Commodity Specification C11 or pressure treated in made-up form shall be branded on the back or edge of each sheet with the plywood manufacturer's name, mark, or registered number, plus the identification "C11".

4.2.2 Veneers treated to C11 and disposed of for manufacture into plywood shall have each package or bundle marked with the registered number of the treatment plant together with the identification "C11".

4.3 Particle Board Moderate Hazard Protection: Particle Board treated to Commodity Specification C12 shall be branded on the back or edge of each sheet with the manufacturer's name, mark, or registered number with, as a minimum, the identification "C12".

5. *Dispensations*—Notwithstanding anything in the provisions of this notice, the Authority may, if it thinks fit, in special circumstances, grant dispensation from any of the foregoing provisions.

6. *Effective date*—The provisions of this notice shall come into force on the 1st day of January 1978.

7. *Previous notice cancelled*—The provisions of previous notices published in the *Gazette* are hereby revoked.

Dated at Rotorua this 8th day of December 1977.

T. R. DAVIS,
Secretary, Timber Preservation Authority
*S.R. 1955/146

(F.S. 1/42)
