The Charitable Trusts Act 1957—Notice of Application for Approval of a Scheme under Part III of the Charitable Trusts Act 1957

Notice is hereby given that the Public Trustee as trustee of the will of Earnest Roberts White, late of Takapau, Hawke’s Bay, sheep farmer, deceased, has filed in the Office of the Supreme Court at Wellington an application for approval of a scheme by which a bequest having a value of $7,425 under the will of the deceased to the “Society for Prevention of Cruelty to Animals of New Zealand” for the general purposes of the society be paid in equal shares to the following societies:
(a) Dannevirke Society for the Prevention of Cruelty to Animals Incorporated;
(b) Hastings and District Society for the Prevention of Cruelty to Animals Incorporated;
(c) Hawke’s Bay Society for the Prevention of Cruelty to Animals Incorporated;

Upon the grounds that it is impossible to give effect to the original bequest because no society known as the “Society for Prevention of Cruelty to Animals of New Zealand” does nor has ever existed but the four named societies do exist and have the principal object of encouraging an attitude of kindness to animals.

Copies of the scheme and the report of the Attorney-General thereon may be inspected, free of charge, at the office of the Registrar of the Supreme Court, Wellington, and at the Public Trust Office at Waipukurau, Hastings, and Wellington.

The date proposed for the hearing of the application is the 27th day of April 1977.

Any person desiring to oppose the scheme is hereby required to give written notice of his intention to the Registrar of the Supreme Court at Wellington and to the Public Trustee, Wellington, and to the Attorney-General not less than seven clear days before that date.

S. F. DRUMMOND, Solicitor to the Public Trustee.

2. Issue of Ordinary Shares

Each holder of the said preference shares at the time of cancellation will be allotted and issued two (2) ordinary shares of 50 cents each in the capital of the company credited as fully paid up for each (i) 6% cumulative preference 'A' share of $2 each and for each 6% cumulative preference 'B' share of $2 each.

3. Dividends

(a) Dividends on all preference shares have been duly declared and paid on a per annum basis up to 31 January 1976 (the last dividend of 3% having been paid on 2 June 1976) and a further dividend of 3% (representing one half the dividend payable in respect of the financial year of the company ended 31st July 1976) will be paid on or before 31 December 1976.

(iv) The balance of $800,000 remaining to the credit of the preference share conversion account shall remain in such account and this account shall in all respects be subject to the same provisions, rights and restrictions as apply to a share premium account, created pursuant to section 64 of the Companies Act 1955.

(v) The paid up share capital of the company will be reduced by $800,000 representing the difference between the $1,600,000 of preference share capital cancelled and the $800,000 of new ordinary share capital issued credited as fully paid up as provided for above.
