Consent to the Generation of Electricity by Sefton Gray and Ronald George Gray at Winchester by the Use of Water

Pursuant to the Electricity Act 1968, the Minister of Electricity hereby consents to the generation of electricity by Sefton Gray and Ronald George Gray, at Winchester, by the use of water, subject to the following conditions:

CONDITIONS

1. The conditions directed by the Water Power Regulations 1934, to be implied in every licence to use water for the purpose of generating or storing electricity, shall be deemed to be conditions of this consent as if it were such a licence.

2. This consent is subject to compliance with the Water Power Regulations 1934, the Electricity Supply Regulations 1976, the Electrical Wiring Regulations 1976, the Radio Interference Regulations 1958, and all regulations hereafter made in amendment of or in substitution for any of those regulations, as if in the case of the Water Power Regulations 1934 it were a licence under the Public Works Act 1928 to use water for the purpose of generating electricity as well as a consent under the Electricity Act 1968 to generate electricity by the use of water.

3. The generation of electricity by the use of water pursuant to this consent shall not thereby be carried out by means of the works described in the Schedule hereto.

4. This consent shall, unless it is sooner lawfully determined, continue in force until the 31st day of March 1998.

5. This consent confers no rights to water under the Water and Soil Conservation Act 1967 or otherwise.

6. For the purpose of assessing the rental or annual sum payable in respect of this consent, the maximum generating capacity of the plant at the date of this consent is 10.5 kW.

REVOCATION

This consent is issued in place of a licence issued to Sefton Gray and Ronald George Gray, at Winchester, by an Order in Council, dated the 3rd day of July 1957, and appearing in the Gazette, on the 4th day of July 1957, at page 1224, which licence is consequently revoked.

Dated at Wellington this 15th day of September 1977.

J. A. KEAN, Comptroller of Customs.
1. In a letter of 3 March 1977 the Minister of Customs advised the Commission that, while the Government had not accepted the "support duties" recommended by the Tariff and Development Board in Report No. 358, it agreed with the basic objectives those duties had been intended to realise. He requested the Commission to re-examine the question of an alternative tariff mechanism which might achieve basically the same protective results without affecting New Zealand's trade policy stance to the same degree. The relevant Tariff items and provisions are set out in the Schedule to this notice.

2. For purposes of taking evidence the Commission will hold a public hearing in the Hearing Room, Eighth Floor, Cumberland House, Upper Willis Street, Wellington, commencing at 10.30 a.m. on Tuesday, 22 November 1977.

3. As the Commission considers this inquiry to be an extension of the previous Tariff and Development Board inquiry, it is inviting:

- New Zealand Forest Products Ltd.
- Printing Industries Federation of New Zealand (Inc.)
- New Zealand Paper Merchants' Association

New Zealand Institute of Packaging
to participate in the inquiry. Any other interested party wishing to participate in the inquiry should notify the Secretary to the Commission immediately.

4. Parties tendering evidence should lodge, in typewritten form, 14 copies of public evidence and 12 copies of confidential evidence to be presented under oath at the public hearing at the Commission's office no later than Friday, 14 October 1977.

$7.50

The Reserve Bank of New Zealand was established in 1933-34 but today’s institution bears little resemblance to the one that was originally constructed by the 1933 legislation. The author, with a combination of historical and economic skill, covers the story and makes an assessment of the Bank’s performance to date. A valuable contribution to New Zealand’s historical record.
