ADMINISTRATION IN NEW ZEALAND'S MULTI-RACIAL SOCIETY

Edited by R. H. Brookes and I. H. Kawharu
138 p.
Race is a word which nowadays arouses strong feelings. In New Zealand there is little opposition in principle to the Government's policy of integration, but its success depends on the skill with which it is implemented.

Series No. 13. (New Zealand Institute of Public Administration.)

$2
A brief history of the Public Works Department (Ministry of Works from 1870-1970), its effect on the development of the country, its changing roles, and ups and downs. The book covers the growth of New Zealand as a nation. In addition, the author includes in her own narrative some fascinating stories of human interest. (Ministry of Works and Development.)

**CAR OPERATING COSTS**

This bulletin sets out the estimated costs of operation for five classes of motor cars and two classes for vans, pickups, and light trucks. Designed to assist vehicle owners in identifying and reducing operating costs, this bulletin, along with the Ministry of Transport bulletin "Truck Operating Costs", will no longer be available for free distribution. "Car Operating Costs" is now available from all Government bookshops for 50c.

**BLOOD TEST LEGISLATION**

Traffic Research Report No. 18

By Paul M. Hurst, Ph.D.
Ministry of Transport

Uses graphs and statistics to give an evaluation of the compulsory blood test law in New Zealand. Discusses these, makes comparisons with other nations, and concludes with a summary.

**A BIBLIOGRAPHY OF PRINTED MAORI TO 1900**

National Museum Monograph No. 7

By Herbert W. Williams

$4.25

The most important collections of Maori books and pamphlets are mentioned in this bibliography. A short review has been made of the Maori literature dealt with and an endeavour has been made to trace the history of the various classes of material, or liabilities to, the rest of the world.

**BUILDING AND CONSTRUCTION STATISTICS 1973-74**

Department of Statistics

8 p. 1977.

Gives the final statistical tables for sheep in New Zealand for the year ended 30 June 1975.

**BETWEEN GOVERNMENTS AND BANKS**

By Dr Hawke

244 p.

$7.50

The Reserve Bank of New Zealand was established in 1933-34 but today's institution bears little resemblance to the one that was originally constructed by the 1933 legislation. The author, with a combination of historical and economic skill, covers the story and makes an assessment of the Bank's performance to date. A valuable contribution to New Zealand's historical record.

**BALANCE OF PAYMENTS 1975-76**

$1.10

Detailed statistics extending and supplementing information released earlier in summary form. The statement is divided into two sections:

(a) The Current Account, showing the results of the year's trading with other countries when services as well as goods are included;

(b) Capital Account, recording all known changes in claims on, or liabilities to, the rest of the world.

Department of Statistics.
