Clutha Valley Development: Design and Construction Proposals

THE Commission for the Environment has received an environmental impact report prepared by the Ministry of Works and Development on behalf of the New Zealand Electricity Department on the above proposals.

Copies of the report and the volume of technical appendices can be obtained from the Chief Power Engineer, Ministry of Works and Development, Box 12-041, Wellington, as follows:

Environmental impact report \$5; Technical Appendices \$2

Organisations may be provided with complimentary copies at the discretion of the chief power engineer.

The report may be read at the public libraries in the four main centres and the seven university institutions. In addition the report may be read at the local libraries at Alexandra, Balclutha, Clyde, Cromwell, Lawrence, Queenstown, and Wanaka; at the offices of the Vincent County Council at Clyde; and at the offices of the Cromwell Borough at Cromwell. Ministry of Works and Development offices at Auckland, Christchurch, Dunedin, Alexandra, and Cromwell also have copies available for public inspection.

Representations in writing on the environmental aspects of the proposal and on the report are invited and should be sent to the Commission for the Environment, P.O. Box 11244, Wellington, before the 22nd day of May 1978.

Dated this 20th day of April 1978.

I. L. BAUMGART, Commissioner for the Environment.
