*Edited by R. H. Brookes and I. H. Kawharu*

138 p. \$2  
Race is a word which nowadays arouses strong feelings. In New Zealand there is little opposition in principle to the Government's policy of integration, but its success depends on the skill with which it is implemented.

Series No. 13. (New Zealand Institute of Public Administration.)

**BETWEEN GOVERNMENTS AND BANKS**

*By Dr Hawke*

244 p. \$7.50  
The Reserve Bank of New Zealand was established in 1933-34 but today's institution bears little resemblance to the one that was originally constructed by the 1933 legislation. The author, with a combination of historical and economic skill, covers the story and makes an assessment of the Bank's performance to date. A valuable contribution to New Zealand's historical record.

**A BIBLIOGRAPHY OF PRINTED MAORI TO 1900**

NATIONAL MUSEUM MONOGRAPH No. 7

*By Herbert W. Williams*

The most important collections of Maori books and pamphlets are mentioned in this bibliography. A short review has been made of the Maori literature dealt with and an endeavour has been made to trace the history of the various mission and other private presses concerned. Any work, however small, printed wholly in Maori, or in Maori with a translation has been included; so also has any work dealing wholly with the Maori language—such as a dictionary.
