Commerce Act 1975—Economic Policy of the Government Transmitted to the Commerce Commission Pursuant to Section 2A (1) (e) of the Commerce Act 1975

Mr K. B. O'Brien,
Chairman,
Commerce Commission,
P.O. Box 10273,
Wellington.

6 June 1978

Dear Mr O'Brien,

In terms of the provisions of section 2A (1) (e) of the Commerce Act 1975, I hereby transmit to the Commerce Commission, the economic policy of the Government with respect to the inclusion of exchange gains and losses in the calculation of prices under Part IV of the Commerce Act. Having considered the report of the Commerce Commission in this respect, the Government's policy is that where on or after 19 May 1978, any loss or gain resulting from a movement of the exchange rate occurs in respect of any loan made to any manufacturer or supplier carrying on business in New Zealand, for the purpose of his business in New Zealand, or would occur if the loan were then repayable, the amount of that loss or gain may be included in the calculation of that manufacturer's or supplier's prices, to such extent and subject to such conditions, as the Secretary, or as the case may be, the Commission thinks fit. It is the desire of the Government that this policy should be one of those general objects to be taken into account by the Commission and the Secretary in the exercise of their powers and functions under Part IV of the Commerce Act.

Yours sincerely,

L. R. ADAMS-SCHNEIDER,
Minister of Trade and Industry.
