

Industries Development Commission Notice No. 1978/5—Inquiry Concerning Protection for Certain Paper and Paperboard of Tariff Heading 48.01—Industries Development Commission Report No. 7

1. In a letter of 3 March 1977 the Minister of Customs advised the Commission that, while the Government had not accepted the "support duties" recommended by the Tariff and Development Board in Report No. 358, it agreed with the basic objectives those duties had been intended to realise. He requested the Commission to re-examine the question of an alternative tariff mechanism which might achieve basically the same protective results without affecting New Zealand's trade policy stance to the same degree. The Commission held a public hearing on 22 November 1977 to assist it in its inquiry.

2. The Commission delivered its report to the Minister of Customs on 30 June 1978.

Dated at Wellington this 30th day of June 1978.

Secretary, Industries Development Commission.
