

\$25 PRIZES CONTINUED

PRIZE DRAW No. 114

Table with 49 columns and 1000 rows of numbers. Columns 1-49 contain numerical values representing prize draws. The table is organized into 10 groups of 49 columns each, with the first group starting at column 1 and the last group ending at column 49. Each row contains 49 numbers, with some numbers appearing in multiple columns (e.g., 048, 049, 050, etc.).
