†Includes amounts previously recorded in the Works and Trading Account.

GENERAL NOTE: This summary, prepared in accordance with section 67 of the Public Finance Act 1977, reflects the changes in the public accounts effected by that Act from 1 April 1978. The principal change is the abolition of the Works and Trading Account. Of the activities formerly recorded in that account, Electric Supply, Railways, and State Coal Mines are now funded from accounts outside the Public Account. The other two activities, Land Settlement and Public Works, now form part of the Consolidated Account.
