NEW ZEALAND WOOL BOARD

The Adjusted Weighted Average Sale Price for the auction sale of wool held on the 21st and 23rd of March, at Napier, was 247.01 cents per kilogram.

As this price is above the Government Supplementary Minimum Wool Price of 205 cents per kilogram (greasy average basis) no supplement is payable.

There is likewise no retention applicable as the A.W.A.S.P. is less than the Trigger Price of 250 cents per kilogram set by the Minister of Agriculture for the 1978-79 wool season.
