IN THE MATTER of the Charitable Trusts Act 1957, and IN THE MATTER of DAVID SIMPSON COLE, JOHN DEREK KINGSLEY NORTH, and ALEXANDER DURELL WARREN, the trustees of the T. W. J. Johnson Memorial Trust Fund:

NOTICE is hereby given that the above trustees have filed in the Supreme Court at Auckland a motion for order approving a scheme under the provisions of the Charitable Trusts Act 1957, for the administration of certain trust assets and the disposition of the income therefrom. The scheme relates to the assets of the memorial trust fund of the late T. W. J. Johnson amounting to \$22,646.74, as at 31 December 1976, and also relates to any income accrued since 31 December 1976, and also to future income. Under her will Mary Lillian Johnson, widow of the late T. W. J. Johnson, provided that the capital assets were to be invested and that \$40 of the yearly income should be applied in establishing and maintaining a memorial prize called the "T. W. J. Johnson Memorial Prize", to be awarded annually to a final year student of the Auckland Branch of the Medical Faculty of the University of Otago in the study of medicine. The trust further provided that the residue of the income should be applied in establishing and maintaining a scholarship to be called the "T. W. J. Johnson Scholarship in Clinical Medicine" to be from time to time awarded to a medical graduate of clinical medicine at the Auckland Medical School and to be held and enjoyed by the person to whom such scholarship is awarded at the end of the first year after his qualification in medicine. It was further provided that the scholarship should not be awarded until such time as the Auckland Medical School was established and that upon the same being established the memorial prize should cease to be awarded with all income (after running expenses) of the trust fund being devoted to providing for the scholarship. The Auckland Medical School became established in 1968, and in accordance with the terms of the trust the above-named trustees are the present trustees of the trust fund. The trustees have found it impracticable to make the award of the scholarship at the end of the first year after qualification since the nature of the training of medical graduates differs during the first 2 years after qualification and at the end of the first year there is no way that medical graduates can be fairly compared for the award of the scholarship. When the trust was created graduates had had a comparable type of training at the end of the first year and were therefore able to be fairly compared. Since the type of training that medical graduates undergo differs now from that existing previously it is proposed by the scheme that the trustees continue to stand possessed of the trust fund and the investments from time to time representing the same on the same trusts as hitherto save only that the scholarship shall be awarded from time to time to a medical graduate in clinical medicine at the Auckland Medical School who, at the time of the award, is about to reach, or has just reached, the end of his or her third year after having qualified in medicine, and it is further proposed that all reasonable expenses of or incidental to preparing, perusing, and advertising the scheme shall be paid out and be a charge upon the trust fund; and notice is further given that the motion is to be heard at the Supreme Court at Auckland on Friday, the 18th day of May 1979, at 10 o'clock in the forenoon; and any person desiring to oppose the scheme is hereby required to give written notice of his intention so to do to the Registrar of the Supreme Court at Auckland, and to the trustees at the office of the solicitor under-mentioned, and to the Attorney-General not less than 7 clear days before the said date of hearing.

Dated at Auckland this 29th day of March 1979.

RICHARD JOHN BOLLARD, Solicitor for the Trustees.
