BALLROOM DANCING—A guide book for teachers and pupils

DEPARTMENT OF EDUCATION

89 p. 1978

\$3

Almost all people as they move through their teens to adulthood are introduced to the undoubtedly pleasurable and universal activity, ballroom dancing.

As a new edition to the sports instruction series this book makes an effort to cover the basic steps in a variety of dances. It is intended mainly for beginners and therefore the more technical terms or finer amounts of turn and footwork are not included.

The book is well illustrated throughout with black and white photos and line drawings.

BETWEEN GOVERNMENTS AND BANKS

By Dr Hawke

244 p.

\$7.50

The Reserve Bank of New Zealand was established in 1933-34 but today's institution bears little resemblance to the one that was originally constructed by the 1933 legislation. The author, with a combination of historical and economic skill, covers the story and makes an assessment of the Bank's performance to date. A valuable contribution to New Zealand's historical record.

A BIBLIOGRAPHY OF PRINTED MAORI TO 1900

NATIONAL MUSEUM MONOGRAPH No. 7

By Herbert W. Williams

The most important collections of Maori books and pamphlets are mentioned in this bibliography. A short review has been made of the Maori literature dealt with and an endeavour has been made to trace the history of the various mission and other private presses concerned. Any work, however small, printed wholly in Maori, or in Maori with a translation has been included; so also has any work dealing wholly with the Maori language—such as a dictionary.
