		(a) mechanically powered tools, provided they are held in the hand (e.g., electric drill)—this does not cover a situation where the article being produced is held in the hand and worked on a machine tool fitted to bench, stand, or other support; or (b) machines not held in the hand, provided they are hand or foot powered (e.g., treadle operated sewing machines and potters' wheels); or (c) machine made materials and components of a minor nature that are incidental to the assembly or normal operation of those goods (e.g., sewing threads, plain buttons, plain fasteners, nails, screws, plain hinges, paint, or dyes). (4) Goods made up by hand, in whole or part from machine made components, would not normally qualify as "handicrafts". (5) Goods held by hand against a cutting or grinding tool driven by a bench power driven machine whereby artistic or decorative effects are produced will not be regarded as "handicrafts".
