The Standards Act 1965—Draft New Zealand Standard Specification Available for Comment

PURSUANT to subsection (3) of section 23 of the Standards Act 1965, notice is hereby given that the following draft New Zealand standard specification is being circulated.

Number and Title of Specification

DZ 4301 Installation and operation of intruder alarm systems. \$6.00 (Revision of NZS 4301:1974).

This draft standard gives the general requirements for the installation and operation of intruder alarm systems.

The draft is intended to form a basis for the contract between a subscriber and an alarm company, but it does not specify the extent or degree of protection to be provided, nor does it necessarily cover all the requirements for a particular installation. It is intended to assist insurers, alarm companies, subscribers, and the police in achieving a complete and accurate specification of the protection required in particular premises.

All persons who may be affected by this publication and who desire to comment thereon, may obtain copies at the price shown, from the Standards Association of New Zealand, World Trade Center, 15-23 Sturdee Street (or Private Bag), Wellington.

NOTE—Payment must accompany all requests for drafts.

The closing date for the receipt of comment is 4 December 1980.

Dated at Wellington this 7th day of October 1980.

DENYS R. M. PINFOLD,

Director, Standards Association of New Zealand.
