Decision No. 17/80

IN the matter of the Broadcasting Act 1976, and in the matter of an application by the Broadcasting Corporation of New Zealand for an amendment to Sound Radio Warrant 2ZE (Blenheim) to permit the establishment and operation of a relay station in Picton.

BEFORE THE BROADCASTING TRIBUNAL

Messrs C. R. Pidgeon (Deputy Chairman), L. R. Sceats, and Mrs J. C. Somerville.

Hearing: In Wellington the 13th day of October 1980.

Counsel: Mr B. Hudson for the Corporation.

ORAL DECISION

This is an application made by the Broadcasting Corporation of New Zealand for amendment of warrant No. BRO 2ZE to permit the establishment and operation in Picton of a relay station of 0.1 kw 1539 kh, call sign 2ZF, to rebroadcast programmes originated by station 2ZE Blenheim.

Evidence has been presented to the Tribunal of support for the application by the Picton Borough Council and the Picton paper. There is no opposition to the application.

The Tribunal is satisfied on the evidence presented that the majority of the residents of Picton are not able to receive an adequate signal from 2ZE. It is satisfied it is in the public interest that the residents of Picton should receive this provincial service.

The Tribunal therefore grants the application for amendment of warrant in the terms sought in the application, subject to the certification of the Director-General of the Post Office that the amendment complies with the technical requirements of the Post Office under the Post Office Act 1959 and the Radio Regulations made under that Act.

Decision No. 18/80

IN the matter of the Broadcasting Act 1976, and in the matter of an application by the Broadcasting Corporation of New Zealand for amendment to its Television Warrants No. 1, 2, 3, and 4 in respect of hours of transmission, during the period from and including Sunday, 21 December 1980 until Thursday, 26 February 1981.

BEFORE THE BROADCASTING TRIBUNAL

Messrs C. R. Pidgeon (Deputy Chairman), L. R. Sceats, and Mrs J. C. Somerville.

Hearing: In Wellington, on the 13th day of October 1980.

Counsel: Mr B. Hudson for the Corporation.

ORAL DECISION

This is an application made by the Broadcasting Corporation of New Zealand for an amendment to television warrants numbers 1, 2, 3, and 4 during the summer months.

The effect of the amendments, if granted, would be to enable Network One, TVNZ, to recognise the changes in viewing patterns during the summer holiday period, especially when New Zealand daylight saving time is observed.

There is no opposition to the application and similar applications have been granted by the Tribunal in the past.

The Tribunal is satisfied it is in the public interest to meet the needs of the viewing public in this regard by granting the amendments sought. In granting the application it is the view of the Tribunal that the Broadcasting Corporation might give future consideration to making an application for a permanent adjustment of summer viewing hours, thus obviating the necessity for a separate application each year.

The amendments are granted in the terms sought in the application.

C. R. PIDGEON, Deputy Chairman.
