A very useful booklet for schools and all concerned with understanding and preserving New Zealand's beautiful lakes.

WAGE FIXING IN NEW ZEALAND

Edited by S. J. Callahan

136 p.

\$2

One of the outstanding problems of present-day governments is the development of means which not only assure to the wage earner a fair share of national prosperity, but which promote economic growth, financial stability, and industrial peace. This demands of Government and its agencies a continuing reappraisal of its machinery for wage bargaining and of its wage-fixing policies. Series No. 14. (New Zealand Institute of Public Administration.)
