

guidelines are available on request from the Commission's office. Information is required on individual companies's operations, product ranges, etc.; the industry's structure and problems; the potential for development over the next 10 years, inhibitions to the achievement of that potential, and assistance required for each of the following activities:

- (a) Manufacture of tugs (Tariff Heading 89.02);
- (b) Manufacture of light vessels, dredges, etc. (Tariff Heading 89.03);
- (c) Manufacture of trawlers and other fishing vessels, including factory ships, etc. (Tariff Heading 89.01);
- (d) Manufacture of other ships and boats (Tariff Heading 89.01);
- (e) Manufacture of floating structures including buoys and beacons (Tariff Heading 89.05);
- (f) Repairs to the above.

4. Any person who intends to make such submissions should provide in typewritten form 7 copies of public submissions which may, if necessary, be amplified by an accompanying confidential submission. These must reach the Commission's office not later than 20 June 1980.

5. The Commission will then appraise the submissions received and, not later than 18 July 1980, distribute a draft report embodying the Commission's views on the present situation and prospects of the industry under reference, any policy considerations it sees desirable and the Commission's proposed recommendations.

6. The Commission will release its draft report to all parties who have submitted evidence in accordance with paragraph 4. At that time it will invite parties to make further submissions on the content of the draft report by 11 August 1980 and will advise the procedure to be followed in the circulation of these submissions.

7. A public hearing will be held on the Commission's draft report and subsequent submissions in the Hearing Room, Eighth Floor, Cumberland House, Upper Willis Street, Wellington, on 26 August 1980, commencing at 10.30 a.m., and continuing on subsequent days as required.

Dated at Wellington this 5th day of May 1980.

J. R. JENNER, Secretary.

Industries Development Commission, P.O. Box 27-046, Wellington.
