By Martin Hill

DEPARTMENT OF EDUCATION

44 p. 1976

$1.25

Beautifully illustrated with colour and black and white photographs, sketches and diagrams, this booklet shows the development of New Zealand’s architecture from the time of the first settlers, the early Maoris, to present day designs in housing and commercial buildings.

Ten sections include: The pa and the natural environment; Materials and form; New colonial styles; Architecture of extravagance; Natural design; The new look.
