

APPENDIX IA  
PROHIBITED WEED SPECIES

- |  |   |
|--|---|
| <i>Aethusa cynapium</i> L.   | <i>Datura</i> , all species             |
| <i>Allium</i> , all species except those referred to in Appendix IB                      | <i>Euphorbia esula</i> L.               |
| <i>Avena fatua</i> L.  | <i>Homeria</i> , all species            |
| <i>Cannabis sativa</i> L.  | <i>Iva</i> , all species                |
| <i>Cardaria chalepensis</i> (L.) Hand.—Mazz.<br>(= <i>C. draba</i> var. <i>repens</i> ). | <i>Nassella trichotoma</i> (Nees) Hack. |
| <i>Cardaria draba</i> (L.) Desv.   | <i>Orobanche</i> , all species          |
| <i>Cardaria pubescens</i> (C.A. Mey) Jarm.   | <i>Oryza rufipogon</i> Griff.           |
| <i>Carduus nutans</i> L.   | <i>Salvia reflexa</i> Hornem.           |
| <i>Carex longibrachiata</i> Boeck.   | <i>Solanum carolinense</i> L.           |
| <i>Cenchrus</i> , all species except cultivated species                                  | <i>Sorghum halepense</i> (L.) Pers.     |
| <i>Centaurea repens</i> L.   | <i>Stipa</i> , all species              |
| <i>Chondrilla juncea</i> L.  | <i>Striga</i> , all species             |
| <i>Convolvulus arvensis</i> L.   | <i>Tussilago farfara</i> L.             |
| <i>Cuscuta</i> , all species   | <i>Urtica</i> , all species             |
|  | <i>Xanthium</i> , all species           |

APPENDIX IB

LIST OF ORNAMENTAL *Allium* SPECIES PERMITTED ENTRY AS FLOWER SEED IN SCHEDULE A

- |                           |                                     |
|---------------------------|-------------------------------------|
| <i>aflatuense</i> (akaka) | <i>moly</i>                         |
| <i>albopilosum</i>        | <i>murrayanum</i>                   |
| <i>amabile</i> (azureum)  | <i>narcissiflorum</i>               |
| <i>beesianum</i>          | <i>neapolitanum</i>                 |
| <i>caeruleum</i>          | <i>dreophilum</i>                   |
| <i>cernuum</i>            | <i>ostrowskianum</i> (pedemontanum) |
| <i>crispum</i>            | <i>peninsulare</i>                  |
| <i>cyaneum</i>            | <i>pulchellum</i>                   |
| <i>cyatophorum</i>        | <i>regelii</i>                      |
| <i>elatum</i>             | <i>rosenbachianum</i>               |
| <i>falcifolium</i>        | <i>roseum</i>                       |
| <i>fimbriatum</i>         | <i>schuberti</i>                    |
| <i>flavum</i>             | <i>senescens</i>                    |
| <i>giganteum</i>          | <i>serratum</i>                     |
| <i>hyalinum</i>           | <i>siculum</i>                      |
| <i>kansuense</i>          | <i>sikkimense</i>                   |
| <i>karataviense</i>       | <i>sphaerocephalum</i>              |
| <i>macranthum</i>         | <i>tibeticum</i>                    |
| <i>mairei</i>             | <i>unifolium</i>                    |
| <i>mirum</i>              | <i>zebdanense</i>                   |

NOTE—Names in brackets are alternatives for some of the species listed.

APPENDIX IC

LIST OF CRATAEGUS SPECIES PERMITTED ENTRY AS TREE/SHRUB SEED IN SCHEDULE A

- |                        |                              |
|------------------------|------------------------------|
| <i>aestivalis</i>      | <i>laciniata</i>             |
| <i>altaica</i>         | <i>layii</i>                 |
| <i>arkansana</i>       | <i>X lavellei</i> (mexicana) |
| <i>canbyi</i>          | (orientalis)                 |
| ( <i>X carrierei</i> ) | <i>oxyacantha</i>            |
| <i>cocciniodes</i>     | <i>phaenopyrum</i>           |
| <i>cordata</i>         | <i>pinnatifida</i>           |
| <i>crus—galli</i>      | <i>prunifolia</i>            |
| <i>durobrivensis</i>   | <i>pubescens</i>             |
| <i>X grignonensis</i>  | <i>smithiana</i>             |
| <i>holmesiana</i>      |                              |

NOTE—Names in brackets are alternatives for some of the species listed.

APPENDIX II

SCHEDULES OF ACCEPTABLE CULTIVARS

\*Denotes overseas cultivars.

1. New Zealand Schedule of Acceptable Crop Cultivars:

A. —CEREALS	Official Cultivar Name
<i>Avena sativa</i> L. (oats) .. .. .	Amuri
	*Caravelle
	Makuru
	Ohau
	Omihi
	Oware
	Taiko
<i>Hordeum vulgare</i> L. (barley) .. .. .	*Ark Royal
	*Georgie
	*Hassan
	*Julia
	Kakapo
	Kaniere
	*Magnum
	Manapou
	Mata
	*Pirouette
	*Universe
<i>Secale cereale</i> L. (ryecorn) .. .. .	*Zephyr
	*Dominant
	Rahu
