The Stratford County Council (Representation Validation) Order 1980

KEITH HOLYOAKE, Governor-General

ORDER IN COUNCIL

At the Government House at Wellington this 4th day of August 1980

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL

WHEREAS, pursuant to section 56 (1) of the Local Government Act 1974 (as enacted by section 2 of the Local Government Amendment Act (No. 3) 1977), the Stratford County Council (hereinafter referred to as the council) resolved by special order made on the 22nd day of June 1979 that at the general election of the council to be held on the 11th day of October 1980 the council should be elected by the electors of each ward of the county: And whereas by section 56 (2) of the Local Government Act 1974 (as so enacted), the council was required, not later than the 30th day of September 1979, to determine by special order the boundaries and names of the ridings of the county for the purposes of that election and the number of members to be elected to represent each riding: And whereas the boundaries and names of the ridings for the purposes of that election and the number of members to be elected to represent each riding were determined by a special order that was made by the council on the 19th day of October 1979 and were therefore not determined within the time specified in the said section 56 (2): And whereas it is expedient that the determinations be validated:

Now, therefore, pursuant to section 719 of the Local Government Act 1974 (as enacted by section 2 of the Local Government Amendment Act 1979), His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby makes the following order.

ORDER

1. Title and commencement—(1) This order may be cited as the Stratford County Council (Representation Validation) Order 1980.

(2) This order shall come into force on the day after the date of its publication in the Gazette.

2. Validation—The determinations that were effected by the special order which was made on the 19th day of October 1979 and which is described in the Preamble to this order are hereby declared to be and to have always been validly made, notwithstanding that they were made after the time within which they were required, by section 56 (2) of the Local Government Act 1974 (as enacted by section 2 of the Local Government Amendment Act (No. 3) 1977), to be made.

P. G. MILLEN, Clerk of the Executive Council.

AUTHORIZATION OF THE 1980 NEW ZEALAND INDUSTRIES FAIR (CHRISTCHURCH)

Pursuant to the Exhibitions Act 1910, the Minister of Trade and Industry hereby gives notice as follows:

1. In this notice, unless the context otherwise requires—

(a) "The Act" means the Exhibitions Act 1910;

(b) "The promoter" means the Mancan Foundation Limited;

(c) "The exhibition" means a public exhibition of works of industry and art to be conducted by the promoter at the Canterbury Court Showgrounds, Addington, Christchurch, from 23 August to 6 September 1980 (both days inclusive), and to be known as the 1980 New Zealand Industries Fair (Christchurch).

2. The exhibition is hereby authorized and declared to be an exhibition within the meaning of the Act.

3. Subject to the conditions set out in the Schedule hereto, the following provisions are hereby suspended in so far as they relate to work done or business conducted or services rendered in the said premises during the period of the exhibition, by or on behalf of the promoter, or by or on behalf of any exhibitor at the exhibition, or by any person employed in or about the exhibition, namely—such of the provisions of—

(a) The Industrial Relations Act 1973 and all collective agreements and awards in force thereunder;

(b) The Shops and Offices Act 1955;

(c) The Shop Trading Hours Act 1977; and

(d) The Factories Act 1946;

as relate to the hours of commencing or ceasing work, or to the issue of permits, or to the payment for overtime, or extended hours, or to holidays and half-holidays, or to the closing of shops.

SCHEDULE

1. Forty hours shall constitute a week's work, to be worked on 5 days of the week, and 8 hours shall constitute a day's work in or about the exhibition, and with the exception set out in clause 2 hereof, the daily hours shall be worked consecutively.

2. No person shall be employed in or about the exhibition for more than 4 hours without an interval of at least three-quarters of an hour for a meal.

3. (a) Any person employed during any day in or about the exhibition who is employed on that day for more than 8 hours, or before the hour of 8 a.m., or after the hour of 10.30 p.m., or on any day in excess of 5 days per week (whether the excess employment is in or about the exhibition or otherwise) shall be paid for the excess employment at not less than half as much again as the ordinary rate for the first 2 hours and at not less than twice the ordinary rate thereafter.

(b) Any person employed in or about the exhibition on any day that would, but for the provisions of this order, have been
a whole holiday for that person by virtue of any Act, or of any collective agreements or awards shall be paid for all work done on that day at not less than twice the ordinary rate, whether the work is performed wholly in or about the exhibition or otherwise. Provided that nothing in this subclause shall be deemed to deprive any person of any other payment for the said holiday to which he may be entitled under any Act or collective agreements or awards.

4. No assistant under 18 years of age shall be employed in or about the exhibition after the hour of 10.30 p.m.

5. For the purposes of the enforcement of any collective agreements, or awards, any provision of which has been suspended by this order, any officer of the industrial union or association concerned who is authorised in writing in that behalf by the union or association shall be entitled to interview at his place of employment any person employed in or about the exhibition under those collective agreements or awards at such time or times as may be agreed upon between the officer and the employer of that person, and for this purpose any such officer shall be entitled at any time to have access to the register of passes issued by the promoter.

6. Nothing in this notice shall be deemed to affect any provisions in any collective agreements or awards requiring workers subject to such collective agreements or awards to be members of a union.

Consent to the Generation of Electricity by the Ashburton Electric Power Board by the Use of Water

Pursuant to section 25 of the Electricity Act 1968, the Minister of Energy consents to the generation of electricity by the Ashburton Electric Power Board, subject to the following conditions.

CONDITIONS

1. The conditions directed by the Water Power Regulations 1934, to be implied in every licence to use water for the purpose of generation or storing electricity, shall be deemed to condition of this consent as if it were such a licence.

2. This consent is subject to compliance with the Water Power Regulations 1934, the Electrical Supply Regulations 1976, the Electrical Wiring Regulations 1976, the Radio Interference Regulations 1958, and with all regulations made in amendment thereof or in substitution therefor, as if in the case of the Water Power Regulations 1934 it were a licence under the Public Works Act 1928, to use water for the purpose of generating electricity, as well as a consent under the Electricity Act 1968, to generate electricity by the use of water.

3. The generation of electricity by the use of water, pursuant to this consent, shall be carried out by means of the works described in the Schedule hereeto.

4. This consent is granted subject to prior compliance with the Water and Soil Conservation Act 1967.

5. This consent shall come into force on the 1st day of September 1981, and shall continue in force for a period of 21 years unless it is sooner lawfully determined.

6. The station shall be operated at all times to utilise the whole of the flow in the Rangitata Diversion Race available for generation purposes in such a manner that the supply of water to other users is not affected.

7. Nothing expressed or implied by this consent shall raise any undertaking representation, or warranty on the part of Her Majesty the Queen or the Government of New Zealand.
that the Rangitata Diversion Race contains at any time sufficient water for the purposes for which the consent is granted, nor shall the granting of this consent impose on Her Majesty the Queen or the Government of New Zealand any liability to pay compensation or damages to any person for the increase or reduction in the water supply to the station from time to time however caused.

8. For the purpose of assessing in accordance with the Water Power Regulations 1954, the rental or annual sum payable in respect of this consent, the maximum generating capacity of the scheme shall be assessed at 1.7 MW.

SCHEDULE

GENERAL DESCRIPTION OF WORKS

1. The station will utilise the head of water available across the three drop chutes in the Rangitata Diversion Race situated in Block VI, Shepherd's Bush Survey District being part R.S. 30240.

2. A new race is to be constructed upstream of the power station to connect with the existing race upstream of and as close to the upper drop chute as is reasonably practical.

3. The existing 6.3 metre head is to be increased to 7.3 metres by raising the banks of the existing race by one metre at the point of construction to the new race. The increased height is to be taper off to the height of the existing embankment level at such distance upstream thereof as may be determined by hydraulic design considerations.

4. From the new upstream race the water is to pass through a single turbine in a power house to be built across the new race.

5. The nominal installed capacity of the generator driven by the turbine will be approximately 1,700 kW.

6. A spillway with an automatically controlled radial gate is to bypass the water not utilised by the turbine during periods of reduced output or shut-down past the power station into the tailrace channel.

7. A tailrace channel downstream of the power station is to lead the water from the turbine and spillway back into the original race downstream of the power station as close to the bottom drop chute as is reasonably practical.

All as indicated on the plan marked N.Z.E. 1006 deposited in the office of the Electricity Division of the Ministry of Energy at Wellington.

Dated at Wellington this 30th day of July 1980.

W. F. BIRCH, Minister of Energy.

Notice Declaring Pennisetum Macrourum a Class B Noxious Plant (No. 2430, Ag. 12/10/10)

1. Pursuant to section 19 of the Noxious Plants Act 1978, the Noxious Plants Council hereby declares Pennisetum macrourum to be a Class B noxious plant throughout New Zealand.

2. Terms defined in part I of the Noxious Plants Act 1978, and used in this notice have the meanings as so defined.

3. The control programme proposed and approved by the Noxious Plants Council in relation to wild oats applies only to wild oat seed, whether as a contaminant of other seed or otherwise, intended for sowing within New Zealand. For the purposes of this programme any person may request a Noxious Plants Officer to:

(a) Take a sample of any seed lot owned by that person or in which that person may have an interest and have it analysed pursuant to section 48 of the Act.

(b) Advise that person of methods of treatment of any matter so as to render any wild oat seed no longer viable.

4. Except as provided in clause 3 of this notice, any occupier or any person in possession of or having control over wild oat seed not intended for sowing within New Zealand, need take no further action in respect of controlling wild oats unless he so wishes.

This notice shall come into force on the 7th day of August 1980.

Dated at Wellington this 1st day of August 1980.

J. A. CHALLIS, Secretary, Noxious Plants Council.

Trading Bank Reserve Asset Ratio

Pursuant to section 33 of the Reserve Bank of New Zealand Act 1964, the Reserve Bank, acting with the approval of the Minister of Finance, hereby gives notice that as from the close of business on 1 August 1980, and until further notice each trading bank shall maintain during each calendar month balances at the Reserve Bank plus holdings of Reserve Bank notes of New Zealand Government securities, such that the aggregate of the averages of those balances and holdings during that calendar month (determined in accordance with clauses 1, 2, 3, and 4 of this notice) equals or exceeds the aggregate of:

24 percent of that trading bank's average demand and time deposit liabilities in New Zealand in the immediately preceding calendar month (determined in accordance with the provisions of clause 5 of this notice).

Provided that a trading bank may make up its balances and holdings as aforesaid for a calendar month to the amount hereinbefore required for that calendar month by way of borrowings from the Reserve Bank made during the next following calendar month, and on terms and conditions to be determined by the Reserve Bank; and the proceeds of all such borrowings shall be credited to the account of that trading bank with the Reserve Bank termed "Contra Deposit Account" and on terms and conditions to be determined by the Reserve Bank.

For the purposes of this notice:

1. Balances held by a trading bank at the Reserve Bank shall (subject to clause 6 of this notice) include both demand deposit balances and time deposit balances of that trading bank.

2. The average of a trading bank's holdings of Reserve Bank notes for a calendar month shall be the average of the figures shown in all weekly returns of Banking Statistics by that trading bank under the Statistics Act 1975 received during that calendar month.

3. The average of a trading bank's balances at the Reserve Bank and holdings of New Zealand Government securities for a calendar month shall in each case be the average of the figures for balances and such securities held by that trading bank on each day during that calendar month.

4. Government securities held by a trading bank shall consist of Government stock and Treasury bills (all at nominal value) held by that trading bank.

5. The average demand and time deposit liabilities of a trading bank in a calendar month shall be the average of the figures for days within that calendar month, as shown in that trading bank's weekly returns of Banking Statistics under the Statistics Act 1975.

6. The proceeds of any borrowings made by a trading bank pursuant to the provisions in this notice shall be deemed to be a part of and be included in the balances held by that trading bank at the Reserve Bank on the last day of the preceding calendar month.

and the proceeds of any such borrowing shall not be included in the balances held by that trading bank at the Reserve Bank during any other calendar month.

D. L. Wilks, Deputy Governor.

**MAORI RELIGION AND MYTHOLOGY PART 1**

By Elsdon Best

NATIONAL MUSEUM BULLETIN NO. 10

424 p. 1976 $18

An account of the theory of the universe and its creation, study of the origin of man, religious beliefs, rites, magic and folklore of the Maori people of New Zealand. First published in 1924, reprinted without textual alterations and retaining the original bulletin numbers. (Government Printer.)
MAORI AGRICULTURE  
By Elsdon Best  
NATIONAL MUSEUM BULLETIN No. 9  
$13.50  
The only comprehensive study of Maori agriculture available, this bulletin adds a further volume to the series of Elsdon Best’s works which the Government Printer undertook to reprint preserving the original text and bulletin numbers. I recommend this book and the series as a whole; to collectors, archaeologists, and to those studying the prehistoric economy of the Maori people. (Government Printer.)

THE MAORI AS HE WAS  
By Elsdon Best  
$6.50  
Fifty years of public demand since this book was first published resulted in the need for reprints in 1934 and 1952. The text has been reproduced unchanged but the originals of some of the figures could not be traced and these have been replaced with similar illustrations. There have been many advances in our knowledge of Maori life since this book first appeared. The work of numerous ethnologists, and more recently archaeologists, has critically examined many of the earlier concepts, confirming some, disproving others, and altering others to varying degrees. No one has yet produced a synthesis of the results of all this scholarship and there is still nothing as comprehensive as this book of Best’s to give the layman as well as for scholars of the Maori. (Government Printer.)

THE NEW ZEALAND POLICEMAN  
By J. F. Glynn  
$4.25  
This book is the research essay prepared by Chief Inspector J. F. Glynn, of the New Zealand Police, as part of the requirements for the Diploma of Public Administration at the Victoria University of Wellington. The book deals with the developing role of the New Zealand Police within the social framework of a changing democratic society, and has been welcomed by magistrates, academics, and lay readers as filling an important gap in the available works on this topic. (New Zealand Institute of Public Administration.)

NUCLEAR POWER FACT FINDING GROUP REPORT  
Chairman, M. M. Burns, D. 9.  
$5.10  
Reports on the possible environmental consequences of a nuclear power production programme in New Zealand compared with possible alternatives. Discusses pollution, including noise and thermal pollution, deterioration of visual amenities, and interference with ecosystems.

THE PAREMATA BARRACKS  
By R. I. M. Burnett  
32 p., 9 illustrations.  
70c  
Paremata Barracks were built during the Maori Wars when incidents reached down to Cook Strait during the early days of settlement in Wellington which was then Fort Nicholson.
THE PA MAORI
By Eisdon Best

NATIONAL MUSEUM BULLETIN No. 6
459 p., illustrated. Reprinted 1975.$15
The bulletin contains a wealth of information and descriptions of many Pa sites and structures. Although great advances in archaeology have modified some of the details listed by Best and some of the Pas included in the book no longer exist, the information contained in this bulletin is still an important contribution in this field and is not readily available elsewhere.

PERINATAL MORTALITY IN NEW ZEALAND, 1972-73
SPECIAL REPORT SERIES No. 50
1977
By F. H. Foster (Department of Health)
$4.40
The report of a study of the biological and social effects on perinatal mortality in New Zealand which was prepared for the Health Statistics of the World Health Organisation. Seven other countries presented similar reports to the WHO. This New Zealand data prepared for the international study provides very useful information, previously unavailable, about New Zealand.

POLICIES FOR REGIONAL DEVELOPMENT IN NEW ZEALAND
Edited by G. A. Town
124 p.
In this book, the authors discuss the criteria which they feel should determine any sound policies in the field of regional planning and development. Although many different points of view are presented, there is unanimity that economic considerations alone should not dictate future policy. Essentially, it is for New Zealanders to consider all the relevant factors and decide what pattern of development they wish to see emerge. This book is intended as a constructive contribution to the public debate currently underway. Series No. 17. (New Zealand Institute of Public Administration.)

THE PLANNING AND CONTROL OF GOVERNMENT EXPENDITURES
(PLANNING, PROGRAMMING, AND BUDGETING SYSTEM)
76 p.
$2.50
Records some of the improvements in management systems that have been made within the Government in recent years to help Ministers, members of Parliament, and public servants deal with the problem of planning and controlling expenditure. (The Treasury.)

POWER—THE UPPER WAITAKI HYDRO POWER DEVELOPMENT
MINISTRY OF WORKS AND DEVELOPMENT
$1.50
This booklet traces the history of the Upper Waitaki Hydro Power Development. Other items of interest include construction equipment, seismology, the environment, and the development of the town of Twizel. Well illustrated with colour photos.

PROSPECTS AND LIMITATIONS OF NUMERICAL WEATHER PREDICTION
By E. W. Hewett (Plant Diseases Division)

INFORMATION SERIES No. 86
55 p., 18 illustrations, 9 tables.$1.45
A number of factors, both climatic and cultural, affect the development, longevity, and severity of the frosts. An understanding of these factors is essential in selecting and operating methods of preventing frost damage.

REALITIES OF CURRICULA
DEPARTMENT OF EDUCATION
90 p. 1978.
$2.50
This research was commissioned by the Department of Education and undertaken by Dr Campbell in 1976. It considers the extent to which intentions, as expressed in Towards Partnership and elsewhere, are reflected in the views of teachers and students, and in the work of the schools. Dr Campbell's study is an analysis of the response from 635 teachers and 1883 students.
