Scenic Reserves of the Hawke's Bay Land District is another booklet in the series prepared by the Department of Lands and Survey.

The areas suitable for scenic reservation are neither as large nor as numerous as those in most other land districts but they include world famous reserves. Among these are the Cape Kidnappers Bird Sanctuary, which is the world's only known mainland gannetry; Moreere Springs, with its attractive groves of nikau palms; and Ball's Clearing, which is renowned for its magnificent podocarps. Well illustrated with location maps and black and white photos.
