TALKBACK

28 p. 1974 55c
This report on the contributions which many thousands of New Zealanders made in discussion groups, meetings, and seminars held during the public discussion phase of the Education Development Conference. The report is designed to give an impression of the major outcomes of the discussion, not only indicating where a measure of consensus emerged, but also pointing out where people disagreed. (Educational Development Conference.)

TELECOMMUNICATIONS IN NEW ZEALAND

REPORT OF THE COMMUNICATIONS COMMISSION, APRIL 1977
302 p. \$4
This commission was established in June 1976 to advise on developments in telecommunications including broadcasting and other technical fields involved in modern communications. New developments arising from the evolving technologies could have such a profound effect that matters of national economics, and social considerations would assume considerable importance. This report will contribute to a better understanding of the place of telecommunications in New Zealand.
