*The Glenmark Irrigation Order 1981*

DAVID BEATTIE, Governor-General

## ORDER IN COUNCIL

At the Government House at Wellington this 27th day of October 1981

Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL

PURSUANT to the Public Works Act 1928, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council hereby makes the following order:

## ORDER

1. This order may be cited as the Glenmark Irrigation Order 1981.

2. The Minister of Works and Development is hereby authorised to construct, maintain, and control the water supply works described in the First Schedule hereto to serve the district described in the Second Schedule hereto.

3. The area of land described in the said Second Schedule is hereby constituted as an irrigation district to be known as the Glenmark Irrigation District (herein referred to as "the district").

4. It is hereby declared that the basic charge payable on all irrigable land within the said district shall be \$30 per irrigable-hectare-per-year and the water availability charge shall be \$20 per 1000 cubic metres.

5. Basis of allocation—The supply of water will be subject to the terms and conditions of any water rights granted or issued by the North Canterbury Regional Water Board. During higher flows water is to be taken from the Omihiri and Weka Streams for storage in dams constructed on properties within the district. Such dams will provide sufficient storage to supply approximately 150 mm of water during most irrigation seasons, to the area determined to be irrigable. The allocation of water for storage will be subject to the control of the Hurunui County Council and any restrictions imposed by any of the water rights.

6. Reduction shall be made to the charges given above during the first 6 irrigation seasons so that the charges for the first 7 seasons shall be as set out in the Third Schedule hereto.

7. It is hereby declared that after the 7th season of water availability, charges shall be subject to annual adjustment (from the end of the above season of supply) to compensate for any differences in any element of these charges from the amount previously estimated as stated under sections 13 and 15 of the Public Works Amendment Act 1975.

## FIRST SCHEDULE

## WATER SUPPLY WORKS

THE Glenmark Irrigation Works by which means water may be drawn from the Omihiri and Weka Streams and put into storage shall comprise:

- (i) A diversion structure on the Weka Stream from which the water is taken by open race to a pipeline and thence to the storage structures.
- (ii) Pumps and rising mains to lift water from the Omihiri Stream into storage on the properties within the district.
- (iii) Storage dams and outlet structures. From the storages the water will be metered and reticulated to the irrigable land.

## SECOND SCHEDULE

## GLENMARK IRRIGATION DISTRICT

ALL that area in the Canterbury Land District, County of Hurunui, containing 3630 hectares, more or less, bounded by a line commencing at the westernmost corner of Section 9, Glenmark Settlement, in Block XVI, Waipara Survey District, and proceeding easterly generally along the generally northern boundaries of that section, Sections 10 and 8, Glenmark Settlement, to the western side of Glenmark Road; thence southerly along that roadside to a point in line with the northern boundary of Section 12, Glenmark Settlement; thence easterly generally to and along that boundary and the south-western and south-eastern boundaries of Reserve 3979, to the northernmost corner of that reserve; thence northerly along a right line to the westernmost corner of Section 13, Glenmark Settlement; thence easterly along the northern boundary of that section to the western boundary of that part of Lot 1, D.P. 3284 comprised in certificate of title 2D/649; thence northerly, easterly and southerly generally along the generally western, northern and eastern boundaries of that part lot,
