The Charitable Trusts Act 1957—Notice of Application for Approval of a Scheme Under Part III of the Charitable Trusts Act 1957

NOTICE is hereby given that the Public Trustee as trustee of the will of William Hathaway, late of Stratford in New Zealand, farmer, deceased, and as solicitor for the vestry of Holy Trinity Parish, Stratford, has filed in the office of the High Court, at Wellington, an application for approval of a scheme extending or varying the powers of the Public Trustee in respect of the remaining one-third of the residuary estate of the above-named deceased, administered by the Public Trustee under the said will and extending or varying the powers of the vestry in respect of the accumulated income held by it, and received from time to time from the said trust. Under the said will the said remaining one-third of the residuary estate, and the interest derived therefrom are to be paid to the vestry for the purpose of building a new Anglican Church in Stratford.

It has now become impossible and impracticable to use the funds held by the Public Trustee in the said residuary estate, and the accumulated income derived therefrom held by the vestry for the said purpose, because they are now both together totally inadequate. Under the scheme the Public Trustee will pay to the vestry the capital held by him in terms of the said will, and the vestry will use the said capital, and also the accumulated income held by it, and derived from the said capital for the purpose of assisting to pay for the extensions recently made to the Holy Trinity Anglican Church in Stratford.

Copies of the application, the scheme and the report of the Attorney-General thereon may be inspected, free of charge, at the Office of the Registrar of the High Court, at Wellington, or at the Office of the Public Trustee, 131-133 Lambton Quay, Wellington, or at the office of the District Public Trustee, Broadway North, Stratford. The date proposed for the hearing of the application is the 26th day of June 1981. Any person desiring to oppose the scheme is hereby required to give notice, of his or her intention to do so, to the Registrar of the High Court, at Wellington, and to the Public Trustee at Wellington, and to the vestry of Holy Trinity Parish, Stratford, and to the Attorney-General, not less than 7 clear days before that date.

B. J. BLACKTOP,
Solicitor for the Public Trustee and for the Vestry of Holy Trinity Parish, Stratford.

DIRECTIONS FOR EDUCATIONAL DEVELOPMENT
A REPORT PREPARED BY THE ADVISORY COUNCIL ON EDUCATIONAL PLANNING
141 p. 1975. $2.50

This report marks the culmination of the activities of the Educational Development Conference. The Advisory Council has recommended the directions it considers New Zealand education should gain in the next 5 or 10 years.

Five principal areas are identified as requiring attention. Education is seen as a lifelong activity, and emphasis is therefore placed on the "foundations"—early childhood education, the school curriculum, special needs, and parent education.

Special attention is given also to the relationship between the school and the community, the need for close mutual support and co-operation, including understanding and respect for minority cultures.

A key to the quality of education is the people involved in it. Teacher education, advisory and auxiliary staff, as well as resources for materials and research, have a chapter devoted to them.

Since education is seen as a lifelong activity, this is considered at some length. Facets such as accessibility, transfer of credits, and the role of existing institutions are discussed, together with ways in which continuing education could be provided for the whole community.

In discussing the administration and organisation of education the principle followed is the maximum devolution of authority and responsibility to the agencies and the community, as for instance, school committee and district level.
