

Import Licence Tendering Scheme—Amendments to the Results of Tenders for Lots 4, 5, 6 and 7, Round One

In terms of the press statement by the acting Minister of Trade and Industry of 2 April 1981, the following are the amendments to the results of Lots 4, 5, 6 and 7. The list shows:

- (a) Withdrawn tenders—Tenders which have been withdrawn because the bid has mistakenly included the face value of the licence units; and
 (b) New successful tenders—Hitherto unsuccessful tenders which by being the next highest bids, have been awarded the newly available tender licences as a result of the withdrawals.
