PURSUANT to section 221A of the Sale of Liquor Act 1962, as amended by section 22 (14) of the Sale of Liquor Amendment Act 1976, I, John Fraser Robertson, Secretary for Justice, hereby give notice that the Wellington Licensing Committee on 25 June 1981, made an order authorising variations of the usual hours of trading for the licensed premises known as the Regent Tavern.

To the intent that on days other than those on which licensed premises are required to be closed for the sale of liquor to the general public the hours for the opening and closing of the said premises shall be as follows:

(a) On any Christmas Eve—Opening at 11 o'clock in the morning and closing at 11 o'clock in the evening.
(b) On any New Year's Eve—Opening at 11 o'clock in the morning and closing at 00.30 o'clock on the morning of New Year's Day.

J. F. ROBERTSON, Secretary for Justice.

Exchange Rates

In terms of section 25 (2) of the Reserve Bank of New Zealand Act 1964, the Reserve Bank today released outer limits for rates of exchange to be used in transactions involving the conversion of New Zealand currency into foreign currencies and foreign currencies into New Zealand currency when delivery of the foreign currency dealt in will be effected by telegraphic transfer. The following range of rates, for the main currencies used by New Zealand traders in settling foreign exchange transactions, will remain in force until replaced by a new Schedule issued by the Reserve Bank.

These rates do not apply to transactions for settlement after the expiration of 2 business days (forward transactions) or to transactions in which instruments are purchased which do not entitle the buyer to foreign currency balances in the foreign centre until the instruments have been delivered at the foreign centre. In the latter case interest at foreign centre rates may be deducted from the telegraphic transfer rate to compensate the purchaser for his loss during the transit period.

Decision No. 1000
Refence No. Ind. 26/80

Decision of the Indecent Publications Tribunal

In the matter of the Indecent Publications Act 1963, and in the matter of an application by the New Zealand Police for a decision in respect of the following publication: Riding High, Volume 8, published by Woodhead Publications, Auckland:

BEFORE THE INDECENT PUBLICATIONS TRIBUNAL

Hearing: 1 May 1981.

Decision: 14 July 1981.

Appearances: Inspector D. L. Bates for Legal Section, New Zealand Police. Mr J. Billington for Venue Shop Ltd.

A single copy of the magazine Riding High, Volume 8, was submitted to the Tribunal for a decision as to its classification by the New Zealand Police, pursuant to section 22 of the Indecent Publications Act 1963. The magazine came before the Tribunal as a result of a complaint being made to the New Zealand Police by an adult member of the public.

Riding High has the sub-title N.Z. Gay Magazine, and is obviously written for circulation to male homosexuals. The Tribunal finds itself in the difficult situation of having to give a decision which must weigh public opinion on the availability and the possible influences it could have on juveniles and young persons who may read it.

Inspector D. L. Bates of the Legal Section of New Zealand Police, in his submission, stated that the magazine "contains a mixture of serious articles, photographic studies
of the male nude, and some cartoon illustrations. It is aimed
at the homosexual adult and generally presents a reasonably
balanced approach in its content.

Even so, the Police are concerned at the promotion of
homosexual conduct included in the magazine and in their
submission have recommended that the publication should be
classified as indecent.

In its submission the Venus Shop Ltd., made a general
statement which indicated that "it is important to note that
the shop at which these items were purchased is a shop
that caters for the adult population and entry is restricted
to those of 18 years or over." With reference to this edition of
Riding High, the Venus Shop Ltd. stated that "male homo-
sexuality is not a crime. Indecencies between males are a
crime ... It is not unlawful for homosexuals to communi-
cate."

It would appear to the Tribunal that the two problem areas,
with reference to Riding High, Volume 8, is its availability
to the public, and closely related to this, the problem of
access to it by young persons. If Riding High is being sold
to the general public through bookshops then the Tribunal
would need to give consideration to classifying it indecent.
But, if the magazine is published for and supplied to sub-
scribers on a mailing list basis then it would appear that
the publication should be classified with an age restriction
only, as indecent in the hands of persons under the age of
18 years. This is a most difficult classification on which to
rule. Summing up all aspects, the Tribunal classifies the
magazine as indecent principally because the public good
requires it.

District Court Judge WILLIS, Chairman.

SHADOW OF THE LAND
By Ian Wards
422 p. 1968.
$9
The title for this book was provided by Nopera Panakararo, a Kaitaia chief of much influence, who, in May 1840, believed that only the "shadow of the land" had gone to Queen Victoria whilst the substance remained with the Maoris. Less than a year later he revised this opinion convinced that only the "shadow" would be the Maori portion.
The author examines the British acquisition of New Zealand, the Maoris, trust in the Treaty of Waitangi, and their confidence that its terms would be honoured and explained it was only by accident that the Maoris were guaranteed the possession of their lands and ancient privileges.
It is under these circumstances that the book considers the use of military force in New Zealand, analyses the arguments surrounding the provision of troops and concludes that, beyond any reasonable doubt that there was never an attempt to govern by "moral suasion".
New Zealand followed the normal nineteenth century British pattern of territorial acquisition.
The book is an essential introduction to the Maori wars of a later date.
