Import Licence Tendering Scheme—Results of Tenders for Round 3A

THE following are the official results of Round 3A of the Import Licence Tendering Scheme. This round included tenders called for Apparel, Plastics, and Writing Instruments, arising out of reports by the Industries Development Commission. This round also included the balance of 15 percent of basic licence for consumer goods in these products not previously tendered in Round 3.

Licences obtained in this round are valid until September 1983.

The lowest winning tied bids were selected by computer programme on a random basis.

In submitting these tenders, each tenderer has signed a declaration that he or she is domiciled in New Zealand; has been actively trading throughout the immediately preceding 12 months; does not act in this matter on behalf of any other person; and has not submitted tenders in excess of the maximum number of tenders specified in the Call for Tenders.
