

The Standards Act 1965—Draft of New Zealand Standard Specification Available for Comment

PURSUANT to subsection (3) of section 23 of the Standards Act 1965, notice is hereby given that the following draft New Zealand standard specification is being circulated.

Number and Title of Specification

DZ 4223/2 Glass and glazing \$10.

Comprising:

- Part 1: Code of practice for the selection and installation of glass in buildings;
- Part 2: The selection and installation of manufactured sealed insulating glass units and
- Part 3: Human impact safety requirements.

As a result of the large volume of comments received on DZ 4223, Parts 1 and 2, circulated in July and November 1981, major alterations have been made to the text and this amended text is now re-issued for comment. In particular, comments are invited on the following sections:

Part 3 Human impact safety considerations which now forms a separate part of the standard; alterations have been made to the requirements.

Section 106 Glazing techniques. This material has been rearranged to provide a more logically presented set of instructions.

All persons who may be affected by this publication and who desire to comment thereon, may obtain copies at the price shown, from the Standards Association of New Zealand, Wellington Trade Centre, 15-23 Sturdee Street (or Private Bag), Wellington.

NOTE—Payment must accompany all requests for drafts.

The closing date for receipt of comment is 12 November 1982.

Dated at Wellington this 24th day of September 1982.

DENYS R. M. PINFOLD,
Director, Standards Association of New Zealand.
