Import Licence Tendering—Call for Tenders: Round 4

PURSUANT to the Import Control Regulations 1973, Amendment No. 3 (S.R. 1980/246), the Secretary of Trade and Industry, acting under delegated authority is calling tenders for import licences for the goods specified below. These goods constitute Round Four. This is the final Round aimed at testing the tariff over a broad range of consumer goods. Round Four is largely a repetition of those earlier tenders but also includes Plastics previously tendered in Round 3A. Instructions for prospective tenderers and the general terms and conditions which apply to the submission and acceptance of tenders are set out in the *Guide to Import Licence Tendering* dated October 1982.

In addition a Register of Tenderers has now been created. Applications to go on the Register may be obtained from any Collector of Customs or from the Department of Trade and Industry.

Bids should be lodged on the blue tender forms also available from those sources.

Tenders should be addressed to the Registrar of Tenders, P.O. Box 3146, Wellington, and should reach him no later than 5 p.m. on 29 November 1982. Tenders for Round 4 will be opened on 30 November 1982 and official results will be published in the *New Zealand Gazette*.

*Indicates that tenderers are required to complete the spare parts and servicing section of the redesigned tender form.

†Indicates that goods under the relevant tariff item if imported from and being the produce of Australia do not require an import licence.

NOTE:

1. Tenderers should refer to the Customs Tariff and the Import Licensing Schedule for a definite description of the goods included in the list above.

2. Tenderers should be conversant with the various statutes and regulations which importing enterprises are obliged to comply with, such as the Food and Drug Regulations 1973, Safety Standards, Duties and Sales Tax, etc., where relevant.
