*The Standards Act 1965—Draft New Zealand Standard  
Specification Available for Comment*

PURSUANT to subsection (3) of section 23 of the Standards Act 1965, notice is hereby given that the following draft New Zealand standard specification is being circulated.

Number and Title of Specification

DZ 5434 Code of practice for LPG vehicle refuelling stations. \$5.

This draft code of practice has been compiled to provide planning information, procedures and guidance on the establishment of LPG vehicle refuelling stations.

The draft includes information on the procedure for setting up a station, the requirements of an adequate site and the location of equipment and facilities on that site. It also includes information on materials, electrical requirements, necessary safety provisions both for staff and equipment, refuelling arrangements and details of staff training.

All persons who may be affected by this publication and who desire to comment thereon, may obtain copies at the price shown, from the Standards Association of New Zealand, Wellington Trade Centre, 15–23 Sturdee Street (or Private Bag), Wellington.

NOTE—Payment must accompany all requests for drafts.

The closing date for receipt of comment is 18 February 1983.

Dated at Wellington this 9th day of November 1982.

DENYS R. M. PINFOLD,  
Director, Standards Association of New Zealand.  
(S.A. 114/2/8)

*The Standards Act 1965—Standard Specifications Proposed for  
Revocation*

NOTICE is hereby given that the under-mentioned New Zealand standard specifications have been recommended for revocation pursuant to the provisions of the Standards Act 1965.

Any person who may be affected by the proposal to revoke these standards specifications, and who wishes to object to their revocation, is invited to submit comments to the Standards Association of New Zealand, Private Bag, Wellington, not later than 9 December 1982.

Number and Title of Specification

- NZS 58:1958 (BS 96:1954) Carbon brushes (parallel-sided) for use on commutator and slip-ring machines.
- NZS 744:1961 (BS 1538:1956) Intrinsically-safe transformers primarily for bell-signalling circuits.
- NZS 830:1950 (BS 1539:1949) Moulded electrical insulating materials for use at high temperatures.
- NZS 1026:1951 (BS 1720:1951) Woven asbestos binding tape for electrical purposes.
- NZS 1644:1961 (BS 2759:1956) Glossary of terms used in high frequency induction and dielectric heating.
- NZS 1649:1961 (BS 2918:1957) Determination of electric strength of solid insulating materials at power frequencies.
- NZS 1765:1963 (BS 3466:1962) Methods of test for resistance per unit length of metallic electrical resistance material.
- NZS 1410–12:1958 (BS 2022–24:1953) Finishing properties of woven rayon apparel fabrics.
- NZS 2231:1968 Recommendations for informative labelling of textiles and textile articles for laundering and dry cleaning.

Dated at Wellington this 15th day of November 1982.

DENYS R. M. PINFOLD,  
Director, Standards Association of New Zealand.  
(S.A. 114/2/6)

*The Standards Act 1965—Draft New Zealand Standard  
Specification Available for Comment*

PURSUANT to subsection (3) of section 23 of the Standards Act 1965, notice is hereby given that the following draft New Zealand standard specification is being circulated.

Number and Title of Specification

DZ 6209 2-pin and 3-pin plugs, 3-pin plug sockets and accessories with 20 A 250 V a.c. (maximum) rating. \$10.

This 3-part draft Standard specifies safety and manufacturing requirements for 2-pin and 3-pin flat-pin plugs, plug sockets, and accessories for appliances for 250 V a.c. 20 A maximum rating:

Part 1 covers non-rewirable 2-pin plugs rated at up to 10 A, and non-rewirable 3-pin plugs rated at up to 20 A, and rewirable 3-pin plugs rated at up to 20 A;

Part 2 covers switched or unswitched plug sockets rated at up to 20 A for 3-pin mating accessories;

Part 3 covers other accessories.

Functional requirements for assemblies of combinations of specified accessories are given. When published, the Standard will replace NZS 198:1967 and NZS 2147:1967.

All persons who may be affected by this publication and who desire to comment thereon, may obtain copies at the price shown, from the Standards Association of New Zealand, Wellington Trade Centre, 15–23 Sturdee Street (or Private Bag), Wellington.

NOTE—Payment must accompany all requests for drafts.

The closing date for receipt of comment is 15 March 1983.

Dated at Wellington this 15th day of November 1982.

DENYS R. M. PINFOLD,  
Director, Standards Association of New Zealand.  
(S.A. 114/2/8).
