The Standards Act 1965—Draft New Zealand Standard Specification Available for Comment

PURSUANT to subsection (3) of section 23 of the Standards Act 1965, notice is hereby given that the following draft New Zealand standard specification is being circulated.

Number and Title of Specification

DZ 4301 (2nd Edition) Intruder alarm systems, \$6. (Revision of NZS 4301:1974.)

This draft is being issued for public comment for a second time, as comments received from the first review made necessary some changes in technical content as well as a complete recasting of the layout of the material in a form which may be more easily followed.

It is anticipated that further major change should not be necessary, enabling the draft to proceed to publication with little further delay, the time allowed for comment has therefore been restricted.

All persons who may be affected by this publication and who desire to comment thereon, may obtain copies at the price shown, from the Standards Association of New Zealand, Wellington Trade Centre, 15-23 Sturdee Street (or Private Bag), Wellington.

NOTE—Payment must accompany all requests for drafts.
