

**50.5 Handling**

The Corporation may not undertake the loading and unloading, including roping and unroping, of motor vehicles to and from railway wagons and may require such services to be performed by the owners. Where, however, the Corporation elects to perform one or both of these services the cost of loading and/or unloading shall be deemed to be included in the rates prescribed in clause 50.1 irrespective of whether the vehicle is handled by crane, forklift, or driven on and/or off the railway wagon.

**50.6 Liability**

Motor vehicles shall be received, held, carried, delivered, or otherwise dealt with in accordance with the provision of the Carriage of Goods Act 1979.

**50.7 Equipment on motor vehicles**

Motor vehicles are deemed to include any equipment recognised as ordinary equipment of a motor vehicle including windscreen wipers, hub caps, and such articles as spare parts, wheels, tyres, accessories, and tools attached to or contained in the motor vehicle received for carriage. When motor vehicles are carried at other than "owner's risk" particulars of such equipment must be set out on the consignment note and such equipment must be locked in the vehicle.
