Trading Bank Reserve Asset Ratio

Pursuant to section 33 of the Reserve Bank of New Zealand Act 1964, the Reserve Bank, acting with the approval of the Minister of Finance, hereby gives notice that as from and including 1 June 1982 and until further notice each trading bank shall maintain during each calendar month balances at the Reserve Bank plus holdings of Reserve Bank notes and of New Zealand Government securities, such that the aggregate of the averages of those balances and holdings during that calendar month (determined in accordance with clauses 1, 2, 3 and 4 of this notice) equals or exceeds the aggregate of 15.5 percent of that trading bank's average demand and time deposit liabilities in New Zealand in the immediately preceding calendar month (determined in accordance with the provisions of Clause 5 of this notice); provided that a trading bank may make up its balances and holdings as aforesaid for a calendar month to the amount hereinbefore required for that calendar month by way of borrowings from the Reserve Bank made during the next following calendar month and on terms and conditions to be determined by the Reserve Bank; and the proceeds of all such borrowings shall be credited to the account of that trading bank with the Reserve Bank termed "Contra Deposit Account" and on terms and conditions to be determined by the Reserve Bank.

For the purposes of this notice:

(1) Balances held by a trading bank at the Reserve Bank shall (subject to clause 6 of this notice) include both demand deposit balances and time deposit balances of that trading bank.

(2) The average of a trading bank's holdings of Reserve Bank notes for a calendar month shall be the average of the figures shown in all weekly returns of Banking Statistics by that trading bank under the Statistics Act 1975 received during that calendar month.

(3) The average of a trading bank's balances at the Reserve Bank and holdings of New Zealand Government securities for a calendar month shall in each case be the average of the figures for balances and such securities held by that trading bank on each day during that calendar month.

(4) Government securities held by a trading bank shall consist of Government stock and Treasury bills (all at nominal value) held by that trading bank.

(5) The average demand and time deposit liabilities of a trading bank in a calendar month shall be the average of the figures for days within that calendar month, as shown in that trading bank's weekly returns of Banking Statistics under the Statistics Act 1975.

(6) The proceeds of any borrowings made by a trading bank pursuant to the proviso to this notice shall be deemed to be a part of and be included in the balances held by that trading bank at the Reserve Bank on the last day of the preceding calendar month; and the proceeds of any such borrowing shall not be included in the balances held by that trading bank at the Reserve Bank during any other calendar month.

D. L. Wilks, Governor.

4. Recreation—29 p. with folding map. Includes tracks and walking trips giving times and routes.

BALLROOM DANCING—A guide book for teachers and pupils

DEPARTMENT OF EDUCATION

89 p. 1978. $3 plus 55c p. & p. Almost all people as they move through their teens to adulthood are introduced to the undoubtedly pleasurable and universal activity, ballroom dancing.

As a new edition to the sports instruction series this book makes an effort to cover the basic steps in a variety of dances. It is intended mainly for beginners and therefore the more technical terms or finer amounts of turn and footwork are not included.

The book is well illustrated throughout with black and white photos and line drawings.

BASKETBALL

DEPARTMENT OF EDUCATION

50 p. 1980 Revised edition. $3.75 plus 55c p. and p. This booklet, Basketball, is one of a special series of sport instruction publications. It is designed to provide basic guidance on the game of basketball in all its fundamental aspects.

BEEKEEPING IN NEW ZEALAND

By T. S. Winter

Ministry of Agriculture and Fisheries Bulletin 267

Though fundamental successful beecoming is the same the world over, the varying seasonal conditions and the variety of nectar sources in different areas mean that the beekeeper must study local conditions and adjust his methods accordingly. Three factors govern success in beecoming—locality, management, and the right strain of bees. This excellent book covers all aspects of beecoming in text, photographs, and illustrations.

FISHING METHODS AND DEVICES OF THE MAORI

By Eldon Best

National Museum Bulletin No. 12

264 p. $15.95 plus $1.50 p. & p.

Another in the series of the Best publications, it has been reprinted without revision so that the basic studies may be reprinted without textual alteration. Eldon Best described it as "An account of various exercises, games, and pastimes of the natives of New Zealand, as practised in former times; including some information concerning their vocal and instrumental music".

Includes an account of musical instruments and Maori song together with games and pastimes of a relaxing nature as well as those involved in ritual and training.

Contents include: Military exercises and games, Aquatic games, Children's games, Introduced games, Maori songs and Musical instruments.

FITNESS FOR LIVING

Physical Education in Secondary Schools

DEPARTMENT OF EDUCATION

1980

Fitness for living involves developing the individual's potential for functional efficiency in all aspects of daily living through-out life. This series, consisting of nine titles, will help the reader to understand the nature of the human body. This in turn will lead to an understanding of the need for a balance between work, rest, food, exercise and keeping oneself in good physical condition.
