SCHEDULE

MYFANWY FULFORD
Dated at Wellington this 21st day of July 1982.
J. R. MARTIN,
Deputy Director-General of Health (Admin.).

Decision No.: 1023
Reference No.: Ind. 7/82
Before the Indecent Publications Tribunal

In the matter of the Indecent Publications Act 1963, and in the matter of an application by the New Zealand Police for a decision in respect of the following publications:
Pornography or Art by Poul Gerhard, published by Word and Pictures Limited, Vine Court London El.

Judge W. M. Willis (chairman),
Mdesmas H. B. Dick, L. P. Nikera, Messrs J. V. B. McLinden, I. W. Malcolm.

It should be noted that Pornography or Art was published in 1971, a translation of an earlier edition published by Gerhard Erickson in Copenhagen in 1968. The age of the book in itself indicates that it is rather late in the life of the publication to warrant expending time in giving a decision. After the passage of 12 years there will be little likelihood that many copies of the book are in print and available to the public.

In its submission the importer states that this title was originally imported in 1977 and apparently it has been on sale continually since then. The Tribunal has been informed that it left the warehouses with an R18 sticker and a submission was made that this restriction should continue.

In essence the book is a collection of drawing and sketches, with supporting text, taken from sixteen different sources. The material as presented is historical in scope, and is represented by a selection of artists, authentic in its presentation and appearance.

The main objection to Pornography or Art is that many of the drawings are explicit in detail and content, and therefore likely to give offence.

In its submission the Police are of the opinion that “the book is generally balanced and informative in its treatment of the subject matter.” The Tribunal agrees with this statement, and further concurs with the Police submission that the book “would appear to merit at least an R18 classification.” The only comment to be made placing any classification on Pornography or Art is to note the date of publication, for after 12 years it does seem rather pointless to place any restriction on a book which has been freely available to the general public for this period.

The publication is classified as indecent in the hands of persons under the age of 18.

District Court Judge W. M. WILLIS, Chairman.

Decision No.: 1025
Reference No.: Ind. 15/81
Before the Indecent Publications Tribunal

In the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the following publications:
Sundisk Volume 8, Nos. 2, 3 and 4.

Judge W. M. Willis (chairman),
Mdesmas H. B. Dick, L. P. Nikera, Messrs J. V. B. McLinden, I. W. Malcolm.

Hearing: 1 April 1982.

Appearances: Mr Leloir for Comptroller of Customs. No appearance of Importer, Mr W. R. Mai.

These publications were privately imported through parcel post and seized at Whangarei. Forfeiture is disputed by the importer so that the Tribunal has been asked to classify them. Each magazine is about 55 pages in length, consisting mainly of photographs, very little text and a few pages of mail order advertisements. They were published in 1969. The photographs are highly contrived and provocative with a great emphasis on the male and female genitalia. The text, though more restrained, does not relate with the photographs. The Tribunal would agree with Mr Leloir that the magazines are predominantly concerned with the prurient and lewd aspects of sex and are devoid of any redeeming feature. They lack honesty of purpose and are injurious to the public good. It is relevant to point out that Volume 7, Nos. 3 and 4 and Volume 8, No. 1, were considered as indecent—Decisions 639–641. The text of those publications is similar to that in those now reviewed. For these reasons the Tribunal classifies Sundisk, Volume 8, Nos. 2, 3 and 4 as indecent.

District Court Judge W. M. WILLIS, Chairman.

Decision No.: 1026
Reference No.: Ind. 19/81
Before the Indecent Publications Tribunal

In the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the following publications:
Bondage Advocates, Volume 1, No. 2, published by London Enterprises Ltd.

Bondage Life, Volume 1, Nos. 5 and 7, published by Harmony Communications, Box 780, North Hollywood, Ca 91603.

235 Bondage Photos, Volume 1, No. 2, published by London Enterprises Ltd.

Dominate, Volume 1, No. 1, published by London Enterprises Ltd.

Cheryl Rothman in Bondage, Volume 1, No. 1, Volume 2, No. 2, published by London Enterprises Ltd.

Judge W. M. Willis, Chairman,

Hearing: 1 April 1982.

Appearances: Mr Leloir for Comptroller of Customs. Written submissions by importer, Mr J. H. Denton.

These publications were privately imported and seized in Christchurch in November 1980. Forfeiture has been disputed so that they have been referred to the Tribunal for classification.

In the Tribunal’s view the description given by counsel for the comptroller fairly represents the contents of each publication. In his submission Mr Leloir said:

BEEKEEPING IN NEW ZEALAND

By T. S. Winter

Ministry of Agriculture and Fisheries Bulletin 267

Though fundamental successful beekeeping is the same the world over, the varying seasonal conditions and the variety of nectar sources in different areas mean that the beekeeper must study local conditions and adjust his methods accordingly. Three factors govern success in beekeeping—locality, management, and the right strain of bees. This excellent book covers all aspects of beekeeping in text, photographs, and illustrations.

FISHING METHODS AND DEVICES OF THE MAORI

By Elsdon Best

National Museum Bulletin No. 12

264 p. $15.95 plus $1.50 p. & p.

Another in the series of the Best publications, it has been reprinted without revision so that the basic studies may be accessible in the original style. The descriptions of methods employed in fishing given here are still quite basic for any future studies in this field since no first-hand observations can now be made. The detailed fishing methods outlined are accompanied by descriptions of the artifacts used, together with associated chants, magic formulae, special observances, and fishing lore.

FOREST LORE OF THE MAORI

By Elsdon Best

DOMINION MUSEUM BULLETIN No. 14

Printed without textual alteration, the work provides an important basis for any study of old-time Maori economics and perhaps more important of his attitude to what was a major part of his environment. It will be of more general interest today than when first written, since it stresses so fully the uses made by the Maori people of their natural resources, and supplies basic materials for further studies in ethnobotany and ethnozoology. The reverence which the old time Maori showed towards natural resources mirrors the modern concern for ecological principles.

GAMES AND PASTIMES OF THE MAORI

By Elsdon Best

(National Museum Bulletin No. 8), 1976 Reprint

First published in 1925 this bulletin is one of the series originally written by Elsdon Best, and has been reprinted without textual alteration.

Elsdon Best described it as “An account of various exercises, games, and pastimes of the natives of New Zealand, as practised in former times; including some information concerning their vocal and instrumental music”.

Contents include: Military exercises and games, Aquatic games, Children’s games, Introduced games, Maori songs and Musical instruments.

A comprehensive supplement is included, incorporating all available new information up to the time of printing, together with five indexes.

GLASSHOUSE TOMATOES—Agriculture Bulletin 3370

The present text replaces earlier editions of the bulletin. Important factors to consider when establishing a tomato-growing glasshouse, are lighting, soil type, site, water supply, shelter, and proximity to a market. These as well as general cultural practices are dealt with in this bulletin.

LIVING LETTERS

STATE SERVICES COMMISSION
$1.75 plus 55c p & p

One of the aims in letter writing is to get ideas across to the reader clearly and briefly. But do letters always say what is meant? Even if they are clear to the writer, will the reader understand them easily? If you are still using the old clichés of "acknowledging receipt of", "according to our records", and "enclosed please find" it is almost certainly time to change your attitude to writing living letters.

MAORI AGRICULTURE

By Elsdon Best
NATIONAL MUSEUM BULLETIN No. 9
$13.50 plus $1.50 p & p

The only comprehensive study of Maori agriculture available, this bulletin adds a further volume to the series of Elsdon Best's works which the Government Printer undertook to reprint preserving the original text and bulletin numbers. I recommend this book and the series as a whole; to collectors, archaeologists, and to those studying the prehistoric economy of the Maori people. (Government Printer.)

THE MAORI CANOE

By Elsdon Best
NATIONAL MUSEUM BULLETIN No. 7
$17.50 plus $1.50 p & p

A reprinted edition without textual alterations and retaining the old Dominion Museum number. Another example of Elsdon Best's dedicated effort to preserve Maori culture. The material presented on canoes, their materials, types, methods of construction, and associated artifacts make interesting reading for the layman as well as for scholars of the Maori. (Government Printer.)

MOA-HUNTER PERIOD OF MAORI CULTURE

ROGER DUFF—CANTERBURY MUSEUM BULLETIN No. 1
$17.50 plus $1.50 p & p

This book deals with the most important site yet investigated and in its discussions it traverses most of the New Zealand archaeological field.

A chance discovery in 1939 by a 13-year-old boy revealed the grave of a chief in the gravels of the Wairau boulder bank. The grave, goods, and bones of the ancient chief, prone in his gravel grave, with skull directed towards the setting sun, spoke with more authority regarding his race than the distorted memories of Maori tradition. Although scholarly and technical, the book sustains throughout the drama of this archaeological discovery, and recreates from the evidence of bone and stone the life of our first Polynesians in the Moa-hunter period of Maori culture.

Price $2.55

BY AUTHORITY: P. D. HASSELBERG, GOVERNMENT PRINTER, WELLINGTON, NEW ZEALAND—1982

NATIONAL PARKS OF NEW ZEALAND

178 p. Revised third edition, 1974. $10.50 plus $1.50 p & p

The revision of this popular publication has included numerous new colour plates and additional information on some of our parks. Because of the popularity of this book it is expected this edition will be in great demand. In addition to the book being an ideal souvenir for the overseas visitor it makes an ideal gift and also a valuable asset to anyone's home library.

By Elsdon Best
NATIONAL MUSEUM BULLETIN No. 10
$18 plus $1.50 p & p

An account of the theory of the universe and its creation, study of the origin of man, religious beliefs, rites, magic and folklore of the Maori people of New Zealand. First published in 1924, reprinted without textual alterations and retaining the original bulletin numbers. (Government Printer.)

MAORI

By Witi Ihimaera
$1.20 plus 40c p & p

A colourful booklet describing the coming of the Maori to New Zealand, his history, heritage, folklore, beliefs, and cultural unity. Each chapter has a quotation from a Maori proverb, phrase, saying, or canoe chant and these concepts are presented in words and pictures. Continues with the arrival of the pakeha and the pattern of events which followed, the Treaty of Waitangi and the Land Wars. Moves on to the Maori today, finishing with the theme, one country, two heritages in unity.

Well illustrated with 64 coloured photos, of interest to all New Zealanders and tourists. (Tourist and Publicity Department.)
